Estrella War Financial Policy

(This policy was approved by the Estrella War XXVI Financial Committee on 6/29/11 and by the Society Board of Directors on July 9, 2011)

A. Estrella War Financial Committee

1. An Estrella War Financial Committee (EWFC) shall be established for each Estrella War (hereafter known as the “War”) as follows:
 - a. A new Estrella War Financial Committee shall be formed in May/June preceding the War, and shall serve from the time the initial budget is completed for their event (July before the War), until the final distribution of funds is completed and the final budget is published for that War (May/June following the War).
 - b. It is understood that completion of final accounting for one Estrella War may overlap and run concurrently with the start-up budget planning for the next Estrella War for a few months. During those periods, the two Estrella War Financial Committees shall operate separately and simultaneously to complete tasks for their events.
2. Each person on the Estrella War Financial Committee must be a warranted officer and hold no other warranted position concurrently in the Kingdom of Atenveldt.
3. The Estrella War Financial Committee shall consist of:
 - a. **Atenveldt Kingdom Seneschal:** As primary officer and legal representative of the Kingdom of Atenveldt, the Seneschal is ultimately responsible for overseeing all events, ensuring the War follows guidelines set forth by Corpora, Kingdom Financial Policy and Kingdom Law, and is the only individual authorized to sign contracts for the War. This position is a permanent member of the committee.
 - b. **Atenveldt Kingdom Exchequer:** As primary financial officer for the Kingdom of Atenveldt, is responsible for ensuring all aspects of the War comply with the financial guidelines set forth in Appendix A of the Chancellor of the Exchequer’s Officers Handbook, current revision. This position is a permanent member of the committee.
 - c. **Estrella War Exchequer:** The Estrella War Exchequer serves as the chairperson for all EWFCs, and is a permanent member of those committees. However, the position may be excluded from EWFC voting in accordance with section A.4 below. In addition, the Estrella War Exchequer is responsible for:
 1. The day-to-day financial aspects of the War, including monitoring and publishing monthly cost vs actual budget analysis, and other reports defined in this policy, in the “**Kingdom of Atenveldt Financial Policy**”, and *Lex Atenveldtus*
 2. Maintaining the War bank account in keeping with the current versions of Corporate SCA financial policies as set forth on www.sca.org, including (but not limited to)

Kingdom of Atenveldt

Office of the Chancellor of the Exchequer

“SCA Financial Policy”, the “Chancellor of the Exchequer Kingdom Officer’s Reference Handbook”, and the “Chancellor of the Exchequer Branch Officer’s Reference Handbook”.

3. Publication of the budget and financial reports for the event.
 4. Calling for votes on all matters considered by the committee, maintaining a record of the votes held and decisions made by the committee, and publishing Estrella War Financial Committee meeting notes to the Atenveldt Kingdom Financial Committee.
 5. Serving as the liaison between the Estrella War Main Event Coordinators and the EWFC, and working with the Estrella War Main Event Coordinators to manage the budget for the event. This includes ensuring the Estrella War Main Event Coordinators are given an opportunity to provide feedback, commentary, and recommendations to the EWFC on all issues presented to the committee before votes on those matters are requested.
- d. **Kingdom Exchequers of other Principal Kingdoms:** Once a Kingdom agrees to participate as a Principal Kingdom for a specific Estrella War, their Kingdom Exchequer becomes a member of the Estrella War Financial Committee for the term of work completed for that War. Thus they share equal responsibility for ensuring all aspects of that year’s Estrella War (from budget management to final financial accounting) comply with the current versions of Corporate SCA financial policies as set forth on www.sca.org, including (but not limited to) “SCA Financial Policy”, the “Chancellor of the Exchequer Kingdom Officer’s Reference Handbook”, and the “Chancellor of the Exchequer Branch Officer’s Reference Handbook”. This shall include the following for any Estrella War for which their Kingdom serves as a Principal Kingdom:
1. All Principal Kingdom Exchequers shall be included in EWFC meeting invitations, encouraged to attend all electronic, phone and in person meetings, and shall receive all meeting notes, budget revisions, and financial reports for that War.
 2. Principal Kingdom Exchequers shall be asked for commentary and opinions on all issues discussed and decided by the Estrella War Financial Committee before voting on any issue is initiated.
 3. Objections to decisions made by the Estrella War Financial Committee must be sent to the Society Exchequer, with copies to all members of the Estrella War Financial Committee, within two weeks of the EWFC decision/final vote. Implementation of the decision shall then be delayed until the Society Exchequer has made a ruling on the objection.
4. **Voting members of the Financial Committee:** The total number of voting members on the Estrella War Financial Committee must equal an odd number. In the event that the total number of voting members of the Estrella War Financial Committee does not equal an odd number, the Estrella War Exchequer shall become a non-voting member of the Estrella War Financial Committee.

 - b. These proposed revision(s) must be discussed at a meeting of the Estrella War Financial Committee. Approval of revision(s) requires an agreement of a majority of the members of the Committee.
 - c. Once the Estrella War Financial Committee has approved these revisions, the Atenveldt Kingdom Exchequer must submit the proposed revision(s) and a brief explanation as to the reasons for the requested revision to the Society Exchequer.
 - d. Revision(s) can only be implemented upon receipt of written approval from the Society Exchequer.
6. **Estrella War Financial Committee Meetings:**
- a. The Estrella War Financial Committee will meet in person in odd numbered years at the Estrella War to discuss reserve funds.
 - b. Any voting or non-voting committee member may bring up general discussion in relation to Estrella War policies, budgets or procedures at any time during the course of the year. These discussions may be handled in an electronic meeting.
 - c. Under normal circumstances, actions are approved in electronic meetings. Actions should be brought up for a vote within 10 days of the beginning of the initial discussion. It is the responsibility of the Estrella War Exchequer to ensure that the discussion and vote on the action is kept on track, and that notes of the discussion and decision are created and maintained for future review.
 - d. Under emergency circumstances, actions may be approved in electronic meetings, telephone discussions or in person votes. If an electronic meeting is used, the action must be discussed and voted upon within 3 days of the initial notice. If a telephone meeting is used, the Estrella War Exchequer will send out an electronic copy of the vote within 24 hours to all committee members as a confirmation of the vote. If an in person discussion and vote on the action is made, it is the responsibility of the Estrella War Exchequer to 1) obtain the signature of the committee members on a form listing the action being discussed and voted upon for permanent records, and to 2) send a copy of this vote to each member of the committee.
