Words from Their Excellency's

Happy and Joyous New Year!

Where did December 2012 go? We hope that everyone found peace, joy and time to spend with your loved ones during the holidays.

What an outstanding Yule we had on the 15th of December. The event stewards and feast stewards went all out! Even His Excellency jumped in to show off some of his culinary skills. Santa took a break from his busy Christmas schedule to attend, see the children and take pictures with the kids of all ages. From the site to the site favors to the decorations to the food, Yule was a shining example of what creative minds can accomplish when brought together for a common goal. We will cherish the memories of that day for many years to come.

On the 23rd, His Excellency attended the archery community's Christmas Shoot. He enjoyed himself so much that he felt the need to send messages via the elven airwaves while she was out of town on family business.

The fighter practice on December 26th proved to very entertaining as Duke Jonathan arranged a "Retro Fighter Practice". Attendees donned their clothing and armor from years gone by, including Principality heraldry. What a great melee practice that night!

The A&S community continues to astound and amaze us. They have all stepped forward in so many ways to beautify and teach during 2012 that they can never be thanked enough for such efforts.

Though we look back at our first nine months as Baron and Baroness, we look forward to 2013 as 12th Night will be hosted by Our barony, we again have the privilege of hosting the 4th Annual Heroes of the Silent Angels event, the Barony of Atenveldt Kingdom War Practice will be held at Encanto Park and of course, We are excited about Our first Estrella War with the coronets.

Forever Inspired by the Populace of The Barony of Atenveldt

SCA Board of Directors: Same Gender Consort Proposal

In continuation of its investigation of the matter of same gender couples competing in Crown list, the Board is continuing its quest to solicit commentary on potential language changes to its governing documents regarding this issue.

Current language reads: “Each competitor in a Royal List must be fighting for a consort of the opposite gender.”

New Proposed Language: “Each competitor in a Royal List must be fighting for a prospective consort of the opposite sex unless the Crown has elected to permit a competitor to fight for a prospective consort of the same sex.”

The Board is very interested in hearing from the membership on this issue. The deadline for comments from the membership regarding this subject is no later than December 1, 2012.

Please send comments to: SCA Inc., Box 360789, Milpitas CA 95036, or email them in the body of an email message (without any attachments) to comments@sca.org. If emailing please use the title “Same-Gender Consort Proposal” in the Subject line.

Estrella War

XXIX

Medieval Glory, Honor, & Chivalry in the Warm Desert Sun

**We have wonderful news; Estrella War XXIX
dates have been rolled back to February 26, 2013 through March 4, 2013!
(and there was much rejoicing!)**

The site remains at: Schnepfs Farm 24810 S. Rittenhouse Road, Queen Creek, AZ 85242

Estrella XXIX has a new vision; our focus is the embodiment of *the esprit de corps of those who live this dream of yore*. Whatever your dream embodies that excites your senses and tantalizes your ancestral soul, Estrella War provides you the means to experience it.

Since last Estrella War; Commanders have planned their strategies, fighters have drilled and honed their skills, archers their accuracy, Engineers have designed and built their siege machines, all for the moment when all things martial engage. Comrades in arms take the field against worthy opponents to test their metal for Crown and Kingdom.

A town square offers you a plethora of gentle pastimes; stroll the Merchant's Row, sit and socialize over a meal or board game. Step up your game and bat about a shuttlecock, partake in a game of Bocci or Croquet. Special Events await you for both your viewing pleasure or participation, or take advantage of any of the services offered through Herald's point, Chirurgeon Point, Volunteer & Hospitality Point, the Watch & Autocrat's Point.

If the Arts and Sciences are your passion, the Estrella War offers you a deliciously rich choice of venues; Known World competition, an extensive collegium curriculum, and **NEW** this war: three-hour blocks of interactive demos. Three Artisan showcases (traditional, Laurels' and Masterpiece) await you. The Period Encampment is back now as the Medieval Village and gives you a unique opportunity to converse with artisans and craftsman as they ply their trades in the finest tradition of living historians.

In the cool of the evening Estrella War dresses up and everyone comes to the Town Square for the grandiose parties, dancing, entertainment and the splendor of the Grand Courts.

Pre-Registration for Estrella War XXIX is now open!

[Click here](#) for all of the details and access to the ACCEPS link. Or visit www.estrellawar.org

Pre-Registration has many benefits; you'll get to arrive on site on February 26, 2013 (which is a whole day sooner than general admission/registration). It's a savings of \$10 dollars, and the lines for pre-registration are shorter and quicker. This year you can still designate which group you wish to camp with, i. e., kingdom, barony, shire or college, or you can choose the category of "other". This was specifically designed for groups/households that span many kingdoms and wish to camp together but not necessary with any particular kingdom.

We the Mains, Baroness Magdalen Venturosa, Mistress Tyock MacKay (Tigra), and Viscountess Victoria of the Vales of Barnsdale, invite you to contact us if you have any questions or concerns.

We can be reached at mains2013@estrellawar.org

For those who may not have heard of Rett Syndrome here is a brief description of this syndrome and how it affects these Angels.

Rett Syndrome is a severe neurological disorder the primarily affects girls. Rett Syndrome is the most physically disabling of the autism spectrum disorders. Rett Syndrome is caused by a mutation in the gene MECP2 –a protein that regulates the expression of other genes by turning them off at the appropriate time. The mutation is spontaneous and the effects are seen in early childhood between 6 to 18 months of age. The disorder destroys speech, movement, and functional hand use. Many children lose the ability to walk, they struggle daily with severe seizures, scoliosis, breathing abnormalities, and often the child becomes dependent on others for a lifetime of care. These children's normal life expectancy is to the age of 14 to 17.
