Words from Their Excellency's

Salve Populace of the Barony of Atenveldt!

Happy New Year!

It is our deepest hope that 2014 finds everyone in good health, great happiness and prosperity.

With the holidays occupying everyone's time, we find that we just did not have enough time to spend with Our chosen family during the month of December.

On December 7th, we had a magical time attending Barony of Atenveldt's Yule. HE Dalla and her team created such a wonderful, relaxed atmosphere that all who attended enjoyed the food, entertainment, a warm fire and the sense of the comfort of family.

A new year is upon us and Estrella War is not far off. Please remember to pre-register and contact our Land Stewards Lord Niklaus and Lady Thyri if you plan to camp with the barony.

Forever Inspired by the Populace of The Barony of Atenveldt

Baron Seelos & Baroness Elena

HELP WANTED

But it is only a flesh wound! The Barony is in need of a chirurgeon. Here are the Requirments Taken from the Chirurgeon's Handbook:

The Chirurgeonate is the volunteer first-aid organization of the Society for Creative Anachronism, Inc., a non-profit educational organization devoted to the study of the Middle Ages and Renaissance. It is part of the "living history" movement, where members try to reproduce various aspects of the culture and technology of their period, as well as pursuing more traditional historical research. The SCA spons

ors events such as medieval tournaments and feasts, where members dress in Medieval and Renaissance styles, and participate in activities based on the civil and martial arts of the Middle Ages.

We use the medieval term "Chirurgeon" instead of "first aider," "first responder," or "medic" in our efforts to maintain a medieval atmosphere at SCA events. We also use the Medieval

bloodletting device, the fleam, as the symbol of the Chirurgeonate instead of the modern red shortarmed cross whose use is restricted by international treaty to organizations affiliated with

the International Red Cross and the military. The members of the Chirurgeonate include Red Cross-trained first aiders, medical doctors, military medical corpsmen, nurses, paramedics, St.

John's and St. Andrew's ambulance volunteers, and many other medical volunteers and

professionals. We come from all walks of life and from many countries around the globe. We are united as members of the Chirurgeonate for one purpose: to provide first aid at SCA events.

The members of the Chirurgeonate provide first aid on a volunteer basis at SCA events. First aid performed in the SCA is Good Samaritan in nature, and is provided to anyone who asks at

no cost to the recipient. This has been our tradition ever since Bjo of Griffin, arguably the first-known Chirurgeon, started bringing her first-aid kit to SCA events, back in the days when there

was but a single Kingdom. If you are interested inthe Office as the Chirurgeon or as a deputy please contact the Seneschal and their Excellencies with a letter of intent detailing your

experience and the role you wish to assume.

Deputy chirurgeon is also needed

In the tradition of the Barony of Atenveldt, all pageantry is strongly encouraged. So please bring your consorts & heraldry and show us your chivalry on the field. The Youth victor & Sponsor will receive a purse of Coins. The victor of Hard Suit & Rapier tournaments shall receive a chest of silver coins (\$200). The gentles that have won each victors helm in the auctions shall also receive a chest of silver coins (\$200). The Tournament Lists will open at 9:30am & close at 10:30am. The Helm Auction will begin following court and fighting will begin after auction is concluded.

Artisans and masters from all over the kingdom have in the past donated amazing and beautiful works of artistry, to the silent auction. We are excited to receive their donations again this year. This is a magnificent opportunity to own amazing pieces of hand crafted art as well as the occasional random or amazing bits of Atenveldt history.

For those who may not have heard of Rett Syndrome here is a brief description of this syndrome and how it affects these Angels.

Rett Syndrome is a severe neurological disorder the primarily affects girls. Rett Syndrome is the most physically disabling of the autism spectrum disorders. Rett Syndrome is caused by a mutation in the gene MECP2 –a protein that regulates the expression of other genes by turning them off at the appropriate time. The mutation is spontaneous and the effects are seen in early childhood between 6 to 18 months of age. The disorder destroys speech, movement, and functional hand use. Many children lose the ability to walk, they struggle daily with severe seizures, scoliosis, breathing abnormalities, and often the child becomes dependent on others for a lifetime of care. These children's normal life expectancy is to the age of 14 to 17.
