# Words from Their Excellencies

Barony of Atenveldt!

The Atenveldt Summer Solstice is upon us!

On Saturday, June 11th, We attended The Barony of Twin Moons Birthday. What a lovely time spent with Our cousins to the East celebrating their date of inception. The event was held at Gene Autry Park where there was fighting (including the water related kind) and frivolity.

On Wednesday, June 29th, the brave and the hearty came out to fighter practice for another of Master Ivan's soft rock tournaments. This always seems to be a favorite for the children, even the one's over 18 years of age.

Highlands War is rapidly approaching and once again we will be in the cool pines in The Barony of Ered Sul. We look forward to relaxing in cooler weather and witnessing HL Rachael elevated to the Order of the Pelican.

We would like to remind everyone of the archery and thrown weapons practices. Both the archery and the thrown weapons community are full of amazing, talented people who love to share their martial art. For more information, check the Tome of Faces pages for each of these groups.

As the Aten Sun is so powerful that it lingers into the evening, please remember to keep yourself and remind others to keep hydrated at fighter practice.

We continue to be in awe of the populace of this great barony and appreciate the privilege to continue to serve.

Forever In Service to the Dream,  
Baron Seelos & Baroness Elena  
15th Coronet of the Barony of Atenveldt  
Premier Barony of the Society

# Special Baronial Announcement

Greetings good gentles all. Have you ever wanted to own a piece of Barony of Atenveldt? Maybe have a baronial relic this is impregnated to its very core with stardust? A symbol of the dream? Something that has witnessed Baronial History for over 14 years?

Then today you are truly in luck. I have for sale pieces of the original perimeter poles from Big Red, the Atenveldt Baronial Pavilion. These poles have been

supporting the baronial pavilion for 14 years. In that time they have seen laughter, tears, awards, elevation ceremonies, and heard the words from 4 different sets for Barons and Baronesses. They have seen wedding, bardics, and revels. They have provided shelter in times of storm and shade from the brutal Atenveldt Sun. At this point, they are almost literally pure concentrated stardust.

Now how much would you pay to take a sample of this dream home with you? Would you pay 5 dollars, 10 dollars 20 dollars? More? Well my friends I have received special dispensation from their Excellencies to let you have a piece of this stardust impregnated poles from Big Red. And the cost, not 10 dollars, not 5 dollars. No not even 1 dollar. Thanks to the love their excellences have for their populace, I am authorized to sell you these priceless relics for only 50 cents an inch. Yes you heard me correctly, for just 1/2 of a dollar, you can take have one of the priceless relics for your very own. Although it pains me to part with these treasures for such a ridiculous sum, I am but a servant of their excellence so for just 5 thin dimes, you can take home a portion of the dream for your very own.

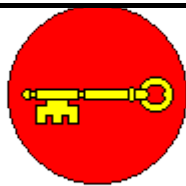

“But Lord Daniel,” I can hear you say. “1 inch won’t do it for me. I need at least 12” to be satisfied” Well, I can help you out with that too. If you want a whole foot of the dream impregnated wood, we give it to you. And at a discounted price. Yes for just \$5 (that’s 20% of the price per inch) you can have a foot of wood to cherish and remind you of your chosen family.

So step right up folks and get a piece of history for the society's oldest barony. All fund raised will go to support the Baron and Baroness Dinner at Estrella next year. Hurry supplies are limited. This will not be repeated. No refunds or exchanges. All sales final. Off void in Caid, Ansteorra and where prohibited by the BOD. Limited Delivery available.

Contact Lord Daniel de Neuf-Claire (MKA Dan Smith (602) 819-6798) to arrange purchase.

## Highlands War XXII July 7th, 2016 to July 10, 2016

Greetings unto the Knowne World! The Barony of Ered Sul, in the glorious Kingdom of Atenveldt, invites you to the cool pines of the mountains where we are very proud to host HIGHLANDS WAR XXII, March on the Silk Road, ROMA v PARTHIA.

We invite all from East and West, North and South, to march on the Silk Road (Rt 66) for the glory of war, revelry, and companionship. In history, 53 BC the city of Carrhae and a small region of Parthia along the Silk Road, were liberated from Roman occupation, allowing trade to flow across the land once more.

The Silk Road had many traders and travelers, but had its share of dangers along the way.

Protection from bandits and mercenaries were needed and caravans often had armed soldiers guarding the journey. Since ancient times this historic route has helped travelers transport goods across many lands, has allowed trade between distant cultures, and had made the world a smaller place.

<https://www.facebook.com/events/614422532040244/>

On July 7--10th, 2016, these cultures will meet in celebration, in war, and in friendship in the Barony of Ered Sul; the most northern Barony in the glorious Kingdom of Atenveldt! There will be something for everyone at Highlands War, scheduled activities will include:

Hardsuit and Rapier/Light fighting scenarios including two different battle pits and a functioning castle

Hardsuit and Rapier/Light tournaments

Archery range and competitions

Arts and Sciences, including silk banner competition by Barwn Meistr Gwylm ab Owain, OP, OL

Equestrian Activities

Siege weapons, war scenarios, and competitions

Thrown weapons competitions

Youth activities

Performance Art - Bardic Friday evening to decide the new baronial champion.

Merchant's Row -

The following Merchants will be at Highlands:

- Amazonia & Estria's Essentials
- Aurora's Creations
- Banner Knife & Garb
- Courtly Garb
- Emery's Enchanted Forest
- Manipulations in Wire
- Purlesque
- Ring Weaver Chains
- Simply Stylish

There will be No Food Vendors; This site does not have water spigots on site or electrical outlets.

Coconino County has very specific requirements for Food Vendors who are preparing food to sell to the public. One can't use coolers (Yeti, Coleman, Igloo, etc.) to keep food in, so that would require a refrigeration source (constant temperature) to store food in, which would either be run by a generator, solar/battery setup, or electrical source. Food Vendors must also use a three sink washing system with water source for washing dishes and food prep. We are working on some other options, but would suggest people provide their own food sources (maybe ask if anyone is doing a kitchen you could buy into, etc.).

Thank you for your understanding.

There will be areas available for RVs and grey water disposal containers. This is National Forest land and a primitive, forested site. Forest rules must be observed at all times.

Failure to do so may result in your removal from site with no refund. The forests are everyone's responsibility and we know that our SCA family will help in our efforts to protect them.

Land/Camping space will be 'first come, first serve', however, we wish to insure those traveling from far away lands to have quality camp experience. A section of land will be reserved for our out of state guests. Please note that campers, trailers, and pop-ups are considered RVs for this event and the autocrats require them to be set up with the RVs. Vardos can camp with tents.

Where: Ashurst Lake in Flagstaff, AZ. From Phoenix, take the I-17 North to Flagstaff. Exit onto Lake Mary Road. Go East on Lake Mary road about 19 miles. Turn North at the Ashurst Lake turnoff and follow signs about 1 mile to the site.

Dates/Time: 7 – 10 July 2016 Thursday 8 am through 4pm on Sunday

Fees: Adults \$35 (Member Discount \$5), \$25 Sat/Sun

Youth (13--17) \$10

Children (0--12) Free

Saturday ONLY day trip fee: \$10

Highlands War will not have a pre-pay system this year. Cash or checks are accepted at troll.

# Tir Ysgithr's 1st Annual Boast & Toast

## July 16th, 2016 to July 17th, 2016

<https://www.facebook.com/>

Bring your sommelier cup and a clean pallet. Crews will be working together to share period pottages, breads, and brews all while bending your ear with stories of inspiration and artisan-ship.

Two fully equipped ramadas await you, complete with drinking water, six huge charcoal barbecues w/ pole for lantern, electricity, bear proof food and trash container and tables with seating. Paved road right up to the site!

Cast your voting token into the box of the crew that best makes their impression on you. Perhaps it was how well they please your pallet. Perhaps their pageantry and décor pushes them over the top. Perhaps it was their bard that boasts best

for them in the toast. It will be up to you to decide who has best demonstrated their prowess of the arts this day. Bring your feast gear and help clean-up the left-overs.

Feeling tough? Think you got what it takes to fight uphill, in hard suit, in high altitude (8000 feet)? Then this unique king of the hill battle is for you! Gather at Ramada #5 at 10 AM. Fighters will be divided into two teams. Team #1 defends the top of the hill and Team #2 charges up the hill to claim it for their own. Point goes to the team that claims the top of the hill. Team # 2 then becomes the defenders and Team #1 assaults the hill. The winner is two out of three. Bragging and brews to the winning team!

Not to be denied, the above scenario will play out again, at 4 PM, except this time for the Rapier community.

**Location:** Sites 4 & 5 of the Whitetail loop on Mount Lemon.

### **Parking & Carpooling**

On-site parking is very limited. Carpooling is a must in order to allow for the maximum people to attend. One parking permit, for one parking space, can be obtained through pre-registration. Permits are on a first come- first issued basis while parking spaces are available and you must carpool with at least two other people, to qualify.

Pre-registration begins on June 14, 2016. Permits can be obtained by contacting Lady Maria Isobel Falcon de la Sierra, either by phone or email (see contact information listed below) and will be made available at Tir Ysgithr's Tuesday night's fighter practice.

Parking in any other area on the mountain, in order to attend this event is not allowed by the Forest Service. Violators will be fined and their vehicles towed by the Sheriff's office.

Should you not be able to obtain a parking space, and wish to attend, please contact the Site Steward on or before July 1st. Arrangements can be made with Her Excellency for shuttle service.

### **Camping**

There is space for modern tents for the night of Saturday the 16th, on a first-come first-serve basis.

There are a number of 15 FT wide X 24 FT long designated flat camping surfaces, which will typically hold three to four modern tents each. You may also use any other space within sites Four and Five.

Come early to claim your spot!

Fires are limited to the two group fire circles provided in the designated areas surrounding sites four and five. No ground fires. Fire restrictions may be in effect. Pets must be on a leash at all times. All food must be stored in provided bear proof containers overnight and all trash disposed of in provided bear proof trash containers.

Monsoon activity is possible, prepare for wet weather and possible cooler nighttime temperatures.

The altitude is 8000 feet. If you have breathing problems please bring needed medication/equipment.

The site must be vacated by 11 AM on Sunday, July 17, 2016.

Registration Fee:

Adult: \$15.00 with a \$5.00 membership discount applied to the registration

"It's a 9 Pack" , Largesse Derby"

Calling all artisans...

Please join us in our annual Largesse Derby!

We challenge our artisans to a "9 Pack Derby" at Collegium!

Create 9 largesse items, win the favor of the populace, and come home with a selection of the finest creations of our wonderful Kingdom, while creating beautiful largesse items for the Kingdom of Atenveldt and the Barony of Granite Mountain and the Barony of Sun Dragon at the same time.

The necessary part:

RULES

- All entrants must create 9 items based on a theme that are suitable for largesse (example: 9 needle books, 9 hats, 9 game sets, 9 pairs of earrings, etc.
- All entries must be tagged (what is it, what is it made of, and who made it and where you are from) and ready to be gifted the day of the competition
- The items need to be handmade.
- The items need not be documented - this is not an Arts and Sciences competition - but need to have value for a member of the SCA
- The items should not have heraldry on them.

Judging will be open to the populace at the event by the 'gems in a cup' method. Winner of the Largesse Derby is the person with the most gems in their entry's cup.

The best part:

## PRIZES

\*The winner of the Largesse Derby, by popular choice gets to select one (1) item from each of the other competitors. Number of prizes is determined by number of entries.

All entries must be in place and properly tagged at Collegium before 10 am on the day of competition.

## Sundragon A&S Competitions and Artisans Showcase

Sun Dragon's Baronial Arts & Sciences Championship will be hosted by our current Sun Dragon A&S Champion, Lady Kandace Van de Libel. This is an excellent way for you to be a part of promoting A&S in the Barony and Kingdom! All ability levels can compete! Your challenge is to produce three entries from three different categories displaying your range of study & creativity. One of your items should be a largess gift that will be given to the Baroness & Baron of Sun Dragon at the end of the day. Emphasis of this largess entry will be placed on the quality rather than quantity (e.g., one gift of involved metal work VS a set of three handcrafted essential oils). All three entries will need your best attempt at documentation for each & Kingdom A&S forms will be used to judge the entries. The Baroness and Baron, judges, and populace may have a few questions about your projects so please be prepared. For further information; please email Lady Kandace at kandacevandelibel@gmail.com Please declare your categories to Kandace using the same email address or in person no later than June 30th, 2016. An entry in this competition cannot be entered into the showcase.

Sun Dragon's Baronial Youth Arts & Sciences Championship will be hosted by our current Lady Grace of Sun Dragon. Youths should create two projects with documentation for each. An entry in this competition cannot be entered into the showcase, so make and bring an extra item!

A&S Showcase: Everyone is welcome to enter! There will be a separate youth division. Documentation is not required for the mature or youth divisions, but it is nice to see and good practice. In each division a winner will be determined based on a Peer votes and another winner based on populace votes. Multiple entries are welcomed but they must be separate from the Sun Dragon A&S Championship competitions so please make something extra!
