Words from Their Excellencies

Happy New Year to the Fabulous Populace of the Barony of Atenveldt!

The holiday season has passed and a new year has arrived! We hope that 2016 finds everyone healthy and prosperous.

The much anticipated Tri-Baronial Yule: A Merrie Tudor Christmas, came and went on Saturday, December the 12th. This was one event that will be locked in Our memories forever. The entire autocrat team went above and beyond everyone's expectations. Sir Czyper's BTM Tavern Tourney was amazing! Certainly one that Our cousins Twin Moons should be very proud of. There were so many activities that everyone could enjoy themselves regardless of their interests. Lord Maine and The Phryde Pipers provided musical entertainment. There was an astounding silent auction. (At which Her Excellency might have spent a duckett or two.) Then there was feast! The 'yums' were aplenty as the culinary masterpieces were served to all who partook. Lord Niklaus and his team truly outdid themselves. Lady Susannah and her team assured that the feast hall had the perfect ambiance for such a celebration. Or course! Who could forget Santa? He arrived just in time to share his merriness with the children from all three baronies. There was so much pageantry and the feeling of family, it saddened Us to have to go home.

The Thrown Weapons Champion competition was held, Saturday, December 19th, at the home of HE Dalla of the Misty Forest. What a great night! Competition and food and laughter. In the end, Lord Jerome bested all and has become the barony's newest Thrown Weapons Champion.

Estrella War is on the horizon; please keep an eye out for announcements regarding camping with the barony. Pre-registration is important. Please see the Estrella War website for details.

We would like to remind everyone of the archery and thrown weapons practices. Both the archery and the thrown weapons community are full of amazing, talented people who love to share their martial art. For more information, check the Tome of Faces pages for each of these groups.

We continue to be in awe of the populace of this great barony and appreciate the privilege to continue to serve.

Yours In Service,

Seelos & Elena

Heroes of the Silent Angels

January 16th, 2016 9:00 am – 8:00 pm

Cheyenne Elementary School, 11806 N 87th Ave, Peoria

Greetings unto the magnificent populace of Atenveldt the glorious!

Once again, the sweet sun that is our herald has withdrawn. Our winter months lie ahead; we will find solace in each other's close company. Rejoice in the weather and the firelight.

Remember well, our winter is the time to make ready for war.

With the spring our Sun will again be reborn, our spirits and the

melee. In this time of winter our heroes acknowledge by both their prowess as well as their chivalry, by both our warriors and our populace. With our war practice comes also one of the grand occasions where the heroes among us take the time to shine with the benevolence as forceful as our beloved Sun.

This year, is the 7th annual Heroes of the Silent Angels Charity Event, hosted by the gracious Barony of Sundragon. The event promises to be an occasion where Heroes in the eric and in the gallery will remind each other and those amazing families that Atenveldt has chosen to champion are determined to help fight for a cure!

If you have never attended, for any reason, come! As always it is free and absolutely no donation is expected. We will feed you, we will entertain you and we desperately hope that we will inspire you. Bring those friends to whom you would introduce to our dream. We could not be more excited about sharing this event with all of you.

As our tradition has become, there will be tournaments for heavy list, rapier as well as youth with associated helm auctions each resulting in a purse of \$200 in silver for the adult fighter and their sponsor and \$50 in coin for the youth and their sponsor. The silent auction is sure to draw the most interesting and exquisite objects from the talents or collections of artisans from all over the kingdom and other kingdoms. There will also be merchants on site.

This year we are especially pleased to present a Queen's Prize tourney for the arts and sciences for which the prizes have yet to be determined. There is entertainment to bedazzle and wonderfy in the works. As ever we are working with new friends and new ideas alongside the help and support of those who have stood with us and lent aid and advice since first we set our shoulders to this task. We have worked miracles on this day amongst ourselves and our own weary hearts, but also on the hearts of the families that we have supported. The fame of what we do is here is branching out and touching other kingdoms and affecting hearts Society wide as well as within the Rett community internationally. As is our custom, their Excellencies, Gwenfrewi and Simon of Sundragon, request that all effort be made towards pageantry and chivalry both on and off the field.

For those who may not have heard of Rett Syndrome here is a brief description of this syndrome and how it affects these Angels. Rett Syndrome is a severe neurological disorder the primarily affects girls. Rett Syndrome is caused by a mutation in the gene MECP2 a protein that regulates the expression of other genes by turning them off at the appropriate time. The mutation is spontaneous and the effects are seen in early childhood between 6 to 18 months of age. The disorder destroys speech, movement, and functional hand use. Many children lose the ability to walk, they struggle daily with severe seizures, scoliosis, breathing abnormalities, and often the child becomes dependent on others for a lifetime of care. These children's normal life expectancy is to the age of 14 to 17.

Site is Dry, Animals are allowed on leashes, No smoking on the school campus.

Scoring will be standard scoring but with negative values for hitting the Foe/Other side. Yes, your total for any given round can be negative! Come on out and join us for a fun morning of archery.

**DID
YOU
KNOW
???**

Vikings were not only great warriors with the sword, but were also spectacular archers. In the 13th century Icelandic saga "The Story of Burnt Njáll", much is told of Gunnar Hámundarson, a 10th century Icelandic chieftain. It was said that Gunnar was the best shot with the bow of all men, and never missed his mark. In fact it is said that Gunnar once shot an arrow at a man and that his arrow passed through the man's shield and into his eye. While this may just be a story based on a real person and/or events, it does show that the possession of great archery skills was highly revered.

Finally, I hope to start having a table out at fighter practice at least once a month. If you have any questions, please stop by and we can talk. Happy New Year – Yours in Service; Merewyn.
