Greetings unto the Populace of the Premier Barony of the Known World!

March is shaping up to be a very busy month across the Kingdom! The first weekend, we have the investiture of a new Baron and Baroness in the Barony of Tír Ysgithr! On March 11th we are holding the How to Train Your Viking III event! Then it is off to Crown Tournament in the Barony of Granite Mountain! And don't forget Border Wars that we are co-hosting with the Barony of SunDragon from March 23rd through 26th. As has been our tradition since we stepped up, we hold our court night on the last Wednesday of the month along with a quarterly tournament. At the March court night, we will have an A&S Display and Bardic. In April there will be a hard suit tournament, and in May we will have a rapier tournament. We have Scribal Arts every Tuesday evening and are now holding A&S classes on the last Thursday of the month. Weekly fighter practices are held every Wednesday night at Encanto Park from 7:30 pm to 10 pm. If you are interested in a behind-the-scenes view of the Barony, please feel free to join us at the baronial business meeting on the first Thursday of each month (where we hold an in-person meeting along with internet access via Google Meets). If you know someone who is deserving of a baronial award, please let us know! You can find a list of baronial awards on our baronial website (at Baronial Awards), and can send award recommendations to us at coronet@baronyofatenveldt.org

The Story of Farhad and Shirin

the Inspiration for the new Argent Smooches

There are many tellings of Farhad and Shirin throughout the former Persian Empire with differences depending on where the story is told, but in all of them runs a theme - those whose love is true will endure great service for their beloved.

Farhad was a sculptor, and despite being a skilled artist, was considered a peasant by the standards of the day. He fell deeply in love with Shirin, the daughter of a King. One day Farhad approached the King and asked for his daughter's hand in marriage. The King, considering him unworthy of such a request, promised Farhad his daughter's hand in marriage upon the completion of one task - if he sculpted stairs up a giant mountainside.

With hope in his heart, Farhad took on this Sisyphean task willingly. Day after day the sculptor labored with a chisel and hammer on the mountainside, fueled by thoughts of his beloved Shirin. Days turned into weeks, weeks into months, months into years, and stair by stair was carved into stone.

IMAGE CREDIT: SKAADI

Though the story ends tragically, this incredible act inspired the Ladies of Love. Master Teh Mu Guin crafted beautiful heart-shaped medallions of white bronze with a staircase carved up a mountainside.

This is the story behind the new Argent Smooches and beckons the theme of this tenure of Love - those who love will endure seemingly unconquerable tasks for those they love. If you see one of these Argent Smooches, know that the bearer has done great acts of service to support their love. If you know someone who should be recognized for their service, find the Ladies of Love.

Nobilitatis, honorem, et gaudium vite

The Baronial Motto is "Nobilitatis, honorem, et gaudium vite". The direct translation is "Nobility, honor, and Joy of Life" To Us, The Dream, Game, or Society is all about the magic. The main components of that magic are being noble, living and acting with honor, and last, but most definately not least, fun. Since the Romans did not have a direct transation of the word "fun", "the joy of life" seemed to fit well.
