# Nobilitatis, honorem, et gaudium vite

The Baronial Motto is “Nobilitatis, honorem, et gaudium vite”. The direct translation is “Nobility, honor, and Joy of Life” To Us, The Dream, Game, or Society is all about the magic. The main components of that magic are being noble, living and acting with honor, and last, but most definitely not least, fun. Since the Romans did not have a direct translation of the word “fun”, “the joy of life” seemed to fit well.
