LADY ALICE OF CLAN RICHARDSON **BARONIAL CHRONICLER**

## Words From Their Excellencies

Greetings unto the populace of the Barony of Atenveldt!

-0«**-X-**»0

We have heirs! Congratulations to Ustat Ra'id ibn al-Za'rur and Mistress Morgaine Rhys ap Gruffydd, who were announced as the baronial heirs at our Anniversary event on September 21st! We are confident that the future of the barony will be secure in their very capable hands! We are looking forward to events in the coming months, including melee practice on the first Wednesday in October, November, and December. Please check our baronial progress for a list of events we will be attending through December.

Our Champions event is coming up on October 26th. As a way to give back to the populace of the barony, we are offering this event free of charge to the populace. As in previous years, we

(Nikolaus and Valdis) are providing soups to feed the populace at the event. Speaking of Champions, we are currently accepting Letters of Intent to serve as our baronial champion for the upcoming year. Letters of Intent are required for everyone competing to be Champion for each area: Archery, A&S, Bardic, Hardsuit, and Rapier. The Letter of Intent can be sent to us via email, printed and hand delivered to us, or even written with a crayon on a napkin and given to us the day of the event! We look forward to meeting all of our potential champions.

Everyone is welcome to join us at the baronial business meeting on the first Thursday of each month (we hold an in-person meeting along with internet access via Google Meets) for a behind-the-scenes view of the Barony. If you are interested in helping the barony by volunteering to be an officer, deputy officer, or as an event autocrat, the business meeting is an excellent place to see how the barony runs.

Although we try to be everywhere, we don't always see those people serving in the background who are deserving of recognition. If you know anyone who you feel is deserving of a baronial award, please let us know! You can find a list of baronial awards on our baronial website www.atenveldt.org/baronyofatenveldt/awards, and you can send award recommendations to us at coronet@baronyofatenveldt.org

# Robilitatis, honorem, et gaudium vite

The Baronial Motto is "Nobilitatis, honorem, et gaudium vite". The direct translation is "Nobility, honor, and Joy of Life" To Us, The Dream, Game, or Society is all about the magic. The main components of that magic are being noble, living and acting with honor, and last, but most definately not least, fun. Since the Romans did not have a direct transation of the word "fun", "the joy of life" seemed to fit well.
