BARONIAL CHRONICLER

Words From Their Excellencies

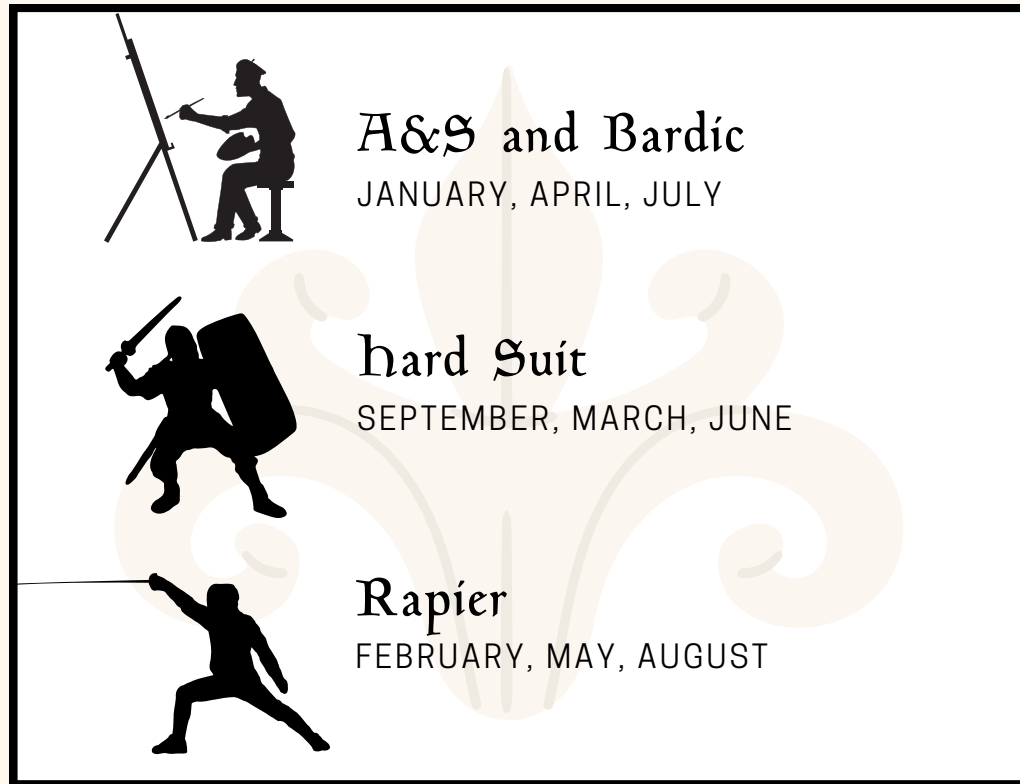

As We write these words We find ourselves between Wars. War of the Phoenix last month was amazing. Thank you so much to all who came out to join Us. We enjoyed spending time with you all - fighters, artisans, Our court, and especially the volunteers that make the event happen. We have already started thinking about things for next year! But now Our sights are set on Our Borders, for The Legend of Border Wars: A Link to the Past. Once again We look forward to all the event has to offer, including an important transition as We wish a good retirement to Our Favorite Cousins, Elizabeth and Duncan, and greet Our soon to be Newest Favorite Cousins, Tvoislava and Raven as they are invested as the next Baroness and Baron of Sundragon. Please be sure to join Us for fighting, frivolity and joyous celebration. We encourage all to volunteer a little of your time to keep the event running smoothly. Volunteering at events large and small are a fantastic way to meet new friends, try something new, and make the magic happen for everyone. As We enjoy the first few major events of Our tenure, We hope you will take a moment to say hello, make Our acquaintance, and let Us know how we can best support you in your SCA experience.

Nobilitatis, honorem, et gaudium vite

The Baronial Motto is “Nobilitatis, honorem, et gaudium vite”. The direct translation is “Nobility, honor, and Joy of Life” To Us, The Dream, Game, or Society is all about the magic. The main components of that magic are being noble, living and acting with honor, and last, but most definately not least, fun. Since the Romans did not have a direct transation of the word “fun”, “the joy of life” seemed to fit well.
