LADY ALICE
RICHARDSON
BARONIAL CHRONICLER

Words From Their Excellencies

Fairest Populace of the Barony of Atenveldt,
As the sun begins to shine brighter, we greet you with bright, warm words. We can hardly believe that We are very near the halfway point of Our term as your baronage. We have so much yet to accomplish, but hope to do so hand in hand with you.

The summer months in Atenveldt bring some challenges. It can sometimes be too hot to hold fighter practice, so please keep an eye out for cancellation announcements via facebook and discord, or feel free to reach out to one of Ourselves, the Marshals, or Our Seneschal to confirm whether practice will be held on any given week. Our general rule of thumb is to cancel if the temperature will be at or exceeds 105 degrees at 8pm. Similarly, practice can be cancelled by the Parks Department if the monsoon rains flood the field.

Weather permitting, We are able to remain at Encanto throughout the summer this year, which brings Us great joy! We hope this makes it easier for new friends to find us. Bring a friend or two to practice, it is a great way to introduce Our Society to new people without the pressure of having to find garb or pay an event fee. The more the merrier!

In addition to fighter practice on Wednesdays, We have a variety of other activities throughout the summer, including archery, thrown weapons, arts gatherings, as well as Our Cousins events in neighboring baronies. We hope to have you join us!

As always, thank you, one and all, for doing all you do. The SCA is more than a hobby, it is truly a society where we can each find a way to contribute and benefit. Without all of you, it doesn't happen. Together, we are beautiful.

Always in Service,
Bey Raid and Baroness Morgaine

The magical Wilderness of the Fey is a dangerous place. Many creatures reside in the feral woodlands that may trick you or steal you away. Beware, for their bargains are never without a price. For your safety, we recommend blending in by dressing the part of any fey creature of your choosing. Maybe the fey won't try their magic upon you if you look like one of them already. Choose wisely from creatures of beauty and light or creatures of thorn and darkness. May your glamour never falter, and may you remember who you are when the forest whispers your name.

Nobilitatis, honorem, et gaudium vite

The Baronial Motto is “Nobilitatis, honorem, et gaudium vite”. The direct translation is “Nobility, honor, and Joy of Life” To Us, The Dream, Game, or Society is all about the magic. The main components of that magic are being noble, living and acting with honor, and last, but most definitely not least, fun. Since the Romans did not have a direct translation of the word “fun”, “the joy of life” fits well.
