## Meetings

Our populace/officers meetings are held every third Thursday of the month at Thorpe Park Community Center in Flagstaff from 6:30p to 8:00p. Thorpe Park Community Center is located in Flagstaff at 245 N. Thorpe Rd.

Our meetings usually cover discussion of business items, plans for upcoming events, and occasionally a dance practice if time permits.

We usually go out for pizza after the meeting. Please feel free to join us!

## OUR WORDS

Fall is here and winter is just around the corner! We're looking to find a location for a combined fighter practice, dance, A&S, Rapier, AND anything that we can do inside that you all would like to try. We do have a budget that we need to work within, but we can extend what we can do by raising additional funds. We'll talk more about fund raising at our next Populace and Officers meeting. In addition, We plan to have a garbed Court night once per month at one of these combined practices. There are some of you who deserve awards and We would like to recognize you. Garb also can be a great way to recruit new members!

For those of you who haven't been to our recent Populace meetings, We have decided to postpone Ered Sulabration until the beginning of the year to allow time to plan it adequately and move it out of a very busy time of the year. We also decided to postpone it so that those who want to enter the A&S Champion competition will have the time to adequately prepare.

By the time that you read this missive, We'll be on the road for Great Western War in Taft, California. This year there will be a strong contingent from Atenveldt at the War.

We'll be back home in time to participate in the next Tuesday night A&S at Thorpe Adult Center. Our Herald, Lady Laura of the Four Paws, will be joined by Her Excellency to help all comers find names, heraldry and get started on submitting them for SCA approval. Last month was a blast! Come over the Thorpe Adult Center on Tuesday October 11<sup>th</sup> and hang out, do some heraldry, or put your creative side to work helping to draw devices. The workshop starts at 6PM. Once again, We'll have some computers with Us to speed the process. We are actively looking for feedback about what people would like to do at A&S. We have a LOT of talent locally and We would prefer to offer topics that the populace really wants rather than choosing random topics. Her Excellency will also be bringing some examples of some of her favorite largesse.

Speaking of largesse, it was obvious at Our last populace meeting that some folks do not understand what largesse is, or why We need it. The Barons and Baronesses, as representatives of their Barony are expected to provide gift baskets for their Majesties at Coronation. The baskets are supposed to contain small gifts which are appropriate for their Majesties to give to other Royals and individuals. These gifts are called largesse. They can be as simple as a bookmark, or a handmade note card, or as elaborate as hand embroidered mug covers, or handwoven trim. In addition to Coronation, We are expected to provide gift baskets whenever another Baron and Baroness are invested. We have personally provided items of largesse that ranged from homebrew, to hand dipped candles, sucades, and bookmarks. In addition to providing gifts for the other Royals, largesse is an excellent opportunity for individuals to be recognized for their talents. We encourage any artisan who donates an item to include a tag with their name and the name of the Barony. It is important that the rest of the Kingdom see how talented our local people are. If the Kingdom does not see your work, it is very difficult to gain any kind of Kingdom recognition for it.

Northern Atenveldt Archery Practice was a lot of fun. Archers who had equipment and wanted to shoot a LOT got their wish! Several participants achieved new rankings. Her Excellency made

Bowman after more than 12 years of not touching Her equipment. Seventeen stalwart archers from as far away as the Marches of Wealhnutu wore their fingers out shooting. The weather was nice, and the wind was mild for Northern Atenveldt!

We will be attending Coronation and are looking for people who are willing to act as Her Excellency's Guards. If you are interested, please contact Lord Janquith or Her Excellency. Also if you have a craft that you would like to be seen (and used) by Their Highnesses as they step up to the Crown, let Us know – there is plenty of room for gifts in the gift basket.

Southern Crusade is next month. This is one of the events that we can all attend with no responsibility! We would like to encourage a Barony of Ered Sul encampment at this event. While We must camp in Her Excellency's merchant pavilion for security, We do plan to spend lots of time with those who attend from Our Barony.

Northern Yule is a little over two months away! Yule will be held in the Barony of Granite Mountain at the Methodist Church in Prescott Valley. We would like to encourage everyone to attend this fun event. Be sure to make your reservations early as the site fills up fast.

Yours in Service,

Baron Henry  
Baroness Eirny  
Protectors of All Things Wooly

## **Dragon's Horde**

**Barony of Tir Ysgithr**

**October 15-16, 2011**

The Barony of Tir Ysgithr is in need of your help! The Dragon has sent an emissary and his threat is dire. He plans to attack our scientists and artisans at the upcoming Science Exposition.

We call upon all fighters for help to defeat his minions. Rumor has it that the White Dragon is leading the invaders to our glorious Barony and he is bringing with him the Red and Green Dragons, along with some horrible monsters. Tournaments will be held, virgins and picnic baskets auctioned, and so much more!

New this year is an Exposition of Scientific Invention, to be held during the day on Saturday. This is a display only event for all alchemists, artisans, and aspiring scientists within our Kingdom. There will be a Laurel's Prize and a Populace Choice prize. If you have ever wanted to try your hand at all the marvelous scientific inventions that developed during the middle ages, now is your chance. The best way to fight mythical creatures is with Science! Did you know that automatons, batteries, plumbing, hot & cold running water, flushing toilets, plastic surgery, astronomical computers, and steam power and so much more were all invented before 1600? Find your favorite, build it, and bring it to ward off the dragons and show off to your fellow inventors. While documentation is encouraged, this is a non-judged expo and only a 3x5 card with the following information is requested; what is it? When was it used/made in the Middle Ages? Who used it and for what? If you intend to enter, please send an e-mail to Hanim Ari at ([small.angry.muses@gmail.com](mailto:small.angry.muses@gmail.com)) with your intention to display by October 1st. Please include how much table space you will need and if you are able to provide a table. We will do our best to provide tent space for your display.

Saturday will have the Dragon battles, come prepared to fight these fearsome monsters. Their Majesties have also announced their intention to hold a Pelican circle after opening court and a Knight's circle after the battles for the day are finished. Saturday evening will be the vigil for Thomas d'Revel as he contemplates elevation to the Knighthood.

Sunday will find the monsters invading our Barony. These are 5 man team battles. Come with a “monster team” or come on your own and challenge the monsters.

We will drive these beasts from our lands!!

Where: Himmel Park, 1000 N Tucson Blvd

Site opens at 9am and closes at 5pm both days. Site fee is \$3 for adult members, \$1 for children 5 –17, and free for children under 5. There is a \$5 non-member surcharge.

Saturday the 22nd will see hard suit tournaments for Defender, Standard Barer, and Rapier. In the evening there will be a pot luck dinner.
