Official Newsletter of the  
Barony of Ered Sul

August 2011

A.S. XLVI

## **Publication Information**

This is the August 2011 issue of The Higher Word, a publication of the Barony of Ered Sul of the Society for Creative Anachronism, Inc. The Higher Word is available from Patricia Kolasinski, 8239 W. Juniper Place, Payson, AZ 85541. It is not a corporate publication of the Society for Creative Anachronism, Inc. and does not delineate SCA policies. Copyright © 2011 Society for Creative Anachronism, Inc. For information on reprinting photographs, articles or artwork from this publication, please contact the Chronicler, who will assist you in contacting the original creator of the piece. Please respect the legal rights of our contributors.

## **Submission Information**

The Higher Word will be published monthly. Please note the submission deadline is the 20th each month prior to publication. Submissions may be e-mailed to [chronicler@eredsul.org](mailto:chronicler@eredsul.org) (preferred), otherwise hardcopy and/or CD may be mailed. Black and white graphics need to be scanned and sent via e-mail or on a CD-ROM.

## **Meetings**

Our populace/officers meetings are held every third Thursday of the month at Thorpe Park Community Center in Flagstaff from 6:30p to 8:00p. Thorpe Park Community Center is located in Flagstaff at 245 N. Thorpe Rd.

Our meetings usually cover discussion of business items, plans for upcoming events, and occasionally a dance practice if time permits.

We usually go out for pizza after the meeting. Please feel free to join us!

## OUR WORDS

First, We would like to thank all of those who attended Too Darn Hot - Their Majesties, Our Cousins the other Barons and Baronesses of Atenveldt, and all of you – the Populace of Ered Sul. There is no way that We can express our true appreciation for all of the people who helped with this event, whether directly or indirectly. People who set up pavilions, cooked, ran troll, picked up trash, arranged for equipment, and much, much, more – the event would not have happened without you. Thank You!!!

And now – on to the future! We have had many people step forward to fill Baronial Officer spots – we still need more. Many hands make the work light. Kingdom has strongly suggested that we have a deputy for all of our officers. Our goal is to make sure this happens. The point of having a Deputy is to train more people in the duties of the Officer position, AND for them to be able to step in on a moments' notice if they are needed.

Officer Reports given will be given during our monthly meetings. They contain information that is important to each of us as members of the Barony of Ered Sul. By Law and Tradition, official monthly Officer reports are copied to Kingdom, their Deputies, Coronet Ered Sul, the Baronial Chronicler, and our Seneschal. We recognize that each of you may not be able to attend every meeting – or ANY meetings for a variety of reasons. For this reason it is Our decision to publish the Populace Meeting Officer reports in the monthly Higher Word. If anyone needs help with writing or reading these reports, making recommendations for awards, or volunteering for an Officer/Deputy position, PLEASE ask your Seneschal for help. Lord Gil knows what should be in the reports, and in some cases where to find a special form that Kingdom wants used.

There is a renewed level of activity in the Barony! We would like to keep it going: Sir Angus, Lord Janquith, and Lord Gil Gareth all have practices in full swing – Hard Suit, Rapier, and Archery. Lord Gil will also be running a monthly Scriptorium and more A&S will happen. Lady Kat and Lord Curlew have decided to open their home for a general crafts day every other month and we're working to finalize some exciting new classes.

We're currently at Pennsic, but things don't stop just because We aren't in town. An A&S evening at Thorpe Center is in the process of being set up – starting in September. There already is a request for a Heraldic night to help folks complete the necessary steps to submit their names and heraldry for SCA registration. More information will be published to the official Yahoo group as it becomes available. As always, you are free to copy public postings from the official electronic communications channel (Yahoo) to your favorite social networking site such as Facebook. And, our regular Officer and Populace meeting will take place as scheduled even though We are not there.

We'd like to offer Our Thanks in advance for all the work that has been committed to Our Barony by all of You.

Yours in Service,

Baron Henry  
 Baroness Eirny

## A & S

It was a marvelous June!

The event, Highlands War 17, went well. Arts and Sciences held over 30 classes over two days. Interest was keen and attendance at some classes overflowed the room/tent. Many teachers expressed delight at the engagement of the students.

Three garage tents and one tent for A&S point with a demo area were barely enough space. We borrowed the baronial tent a few times for classes, too. Having to submit an initial class schedule for the gatebook, which was a sparse schedule indeed, and then 4 weeks later, having many classes and fine teachers added, which my deputy, Mistress Eirny, updated often on the Highlands War website to be current, I learned that much changes at the last week right before an event, and being adaptable before and during an event is the best survival strategy. The staff I worked with did so much before, during and after the event. Success was due to the team effort.

After the event, many of us are still comparing what classes we learned from, how we can get together to share our new skills and the excitement of planning when we can get together again to learn from one another.

Yours in service,  
Lady Osanna Schauenengel

### **Northern Atenveldt Archery Practice**

Archery, Archery, and more Archery!

This is a major opportunity to meet and get to know archers from all over Northern Atenveldt! Trade archery hints, where you get your supplies, sell extra equipment – the purpose of this event is to promote and aid the cause of Archery! Recurves, long bows, crossbows – all SCA legal archery equipment is permissible! Our goal is to have enough marshals to run the line for as long as folks want to shoot. There will be much flinging of arrows – Royal rounds, IKAC, and fun shoots will abound. There is room to camp overnight if you want to do both days. This event is on private property (belonging to Baron Henry and Baroness Eirny). It is in a residential area - so quiet time will start at 10 PM. If there is some particular type of shoot that you would like to see, or if you would like to teach an archery related class please contact Lady Adler or Lord Gilgareth Greywolf. Saturday night we will be having a potluck – another opportunity to get to know Archers! More details as we find out how many will be attending.

We need a count of how many plan to attend so that we will know how many porta-potties we need to have. If you plan to attend, please contact Lady Adler.

Ideas or questions or reservations? Reservations - Contact Lady Adler [adler 2 @ arcingthunder dot org](mailto:adler2@arcingthunder.org) Lord Gilgareth Greywolf at [stealthscribe @ cox dot net](mailto:stealthscribe@cox.net)

When: September 17 and 18

Where: 1 What Road, Juniperwoods Ranch, Ash Fork, AZ – DO NOT rely on a GPS to get to this site! The county maps are wrong for this area, and therefore the GPS information is NOT accurate. Take your best route to Ash Fork (at the junction of 40 and 89). From the north take 89 south. The first named road (named, not numbered!) is Bullock Road – take it! It only goes in one direction. It is paved, but that will change. Follow the road across the railroad tracks – it will be dirt at this point. Bear left in front of the church and keep going straight for three miles. You will pass several dirt roads with street signs. When you see Ranch road (on the right – white cutout metal sign on a post) start watching for signs. What Road will be on the right side of the road (green wooden sign on a post). Bear right and then take an immediate left. The road to the right is That Road and will NOT take you to the gate (no, I'm not kidding!). Follow the

winding driveway, bearing left whenever some random path appears. It is about 1000 feet. When you see the gates you are there! There will be signs!

How Much? We are not sure right now – we need to help cover the cost of the porta-potties, but we also want to make the event very doable. We plan to have a family maximum to make it easier for families to attend. We will update the information as things come together.

Rain Date: September 24th and 25th This site is on a dirt road and severe rain causes the road to go away!

# Mace and Great Sword

Barony of March of Mons Tonitrus

August 19 - 21, 2011

In Anno Societatis (AS) XXIII was held the first Mace and Great Sword Tournament. Now it is time for the 24th anniversary of that much anticipated event, as well as the 21st anniversary of the founding of the Barony of Mons Tonitrus. This year it will be the weekend of 19-21 August 2011, AS XLVI.

Gather at Lower Garden Canyon picnic area in the foothills of the beautiful Huachuca Mountains on Fort Huachuca. Camping under the trees with a possible cool mountain stream flowing. The site is primitive with no running water, so please remember to bring your own drinking water. Also, remember to bring trash bags to carry yours out.

As always, Their Excellencies encourage heraldic display to enhance the pageantry of the tournament and add to the ambiance throughout the site.

Site will open Friday, August 19 at 2:00 pm for setup. The road to site is paved, and for your safety and comfort please heed "Dips in Road" signs along with the mundane speed restrictions.

In addition to the traditional Mace and Great Sword tournament, with a different style of mace being awarded (can you say Bulawa?), the Baronial Champions will be determined over the course of the weekend. Bring your great swords, maces, axes and other weapons to join in the fun.

Saturday Troll will open at 9, with Court expected to begin at 10. There will be a brunch served following opening Court, as will the List be opened. At 1 there will be the exciting Mace and Great Sword tournament. During the day there will be opportunities for Artisans to meet and Archers to practice. In the evening the Bardic and dance will begin. There is expected to be fierce competition, bring on your best!

On Sunday, during the Barony's 21st anniversary celebration, the new Baron's Champion, Baroness' Champion, and Baronial Archery Champions will be chosen. Tournaments will be held and awards will be presented. Formats for each tournament will be determined by the current champion, in consultation with Their Excellencies. While only members of Mons Tonitrus may assume the position of champion, all good gentles are invited and encouraged to add to the competition. Closing court shall be at the conclusion of the day's events. Site closes at 3:00 p.m. on Sunday, August 21.

Our Barony would like to invite all to share in our lovely mountain air. The site fee to attend this event is a mere \$15 for adults with proof of membership and an additional \$2 for children ages 5 to 17. A non-member surcharge of \$5 will apply without proof of membership. Site is wet, with mundane drinking laws in force. Kingdom minor curfew will be observed. (12 & under in camp/with adult after 10 pm and 13-17 in camp/with adult after 1 am) Pets welcome and must be kept on leash. If no fire restrictions are in place, camp fires will be allowed in above ground fire

pits. This is subject to change, but no fires are allowed to be directly on the ground. Special needs attendees or those seeking hotel information or crash space should contact the autocrats.

See our website and watch the e-lists for any updates or changes.

Directions: Take I-10 East to Exit 302 (Hwy 90 to Ft. Huachuca/Sierra Vista). Drive South on Highway 90 approximately 27 miles. Turn right at the intersection of the Hwy 90 and Fry Blvd to the Ft Huachuca Main gate. After entering Ft. Huachuca, follow signs to Lower Garden Canyon. Back to a time when a Middle Eastern Feast was an event set aside to be a social event, full of many of the gentler pleasures of this wonderful Society. Come: drum with your old friends and new acquaintances; dance to the beat; delight in the spectacle of colors and movement. Spend some time bargaining and bartering with people from near and far; take a stroll and examine the abundant wares of merchants from this amazing group.

Only documented service animals are allowed on site.

To enhance the ambiance of the event, please bring your rugs, your cushions, and your decorations. We would request that no large furniture be brought on site, as the smaller hall will not be able to accommodate bulky pieces well. No coolers should be brought on site.

The road is a ONE WAY Street. **WARNING: Be mindful of Students as they DO NOT watch where they are going.**

(Guards will be posted.) Get back into your vehicle and proceed to parking. Vehicles CANNOT be left unattended.

Closest Parking is Pay Parking at the Cherry Avenue Garage. To get there: Continue from the drop off area to Cherry Avenue and Turn left at the stop sign. Proceed forward and stop at the next stop sign.

**September 17, 2011**

Venice. A city that evokes a rich tapestry of romance, good food, festive music, and deep international intrigue...

*It is the honor of Ricardo de Note (Master Ritchyrd McUath), a visiting merchant, to cordially invite one and all to a splendid evening of feast and entertainment in a Masquerade Ball being held to celebrate the glorious anniversary of the noble Barony of Atenveldt.*

*Your host for the evening would request that foreign dignitaries feel comfortable to dress according to their customs, but would encourage one and all to wear a costume suitable for a true Venetian Masquerade. Masks will be provide for guests who are in need of the addition to their costume and there will be decorations available to personalize such accessories. But, as there will be a competition with prizes for the most creative and most heraldic masks at the event, guests are also encouraged to make and bring their own.*

*There will be a pot luck feast, music and dancing on hand for your enjoyment. The ever graceful, Lord and Lady of Love will also be looking for lovely couples to compete for the title.*

*Your host looks forward to welcoming you to the festivities between 10am and 6pm on September 17, 2011.*

... But beware as the celebrations commence. There are dark deeds afoot. As a good and noble citizen, please keep a wary eye open as those in your midst could be in the middle of a conspiracy most foul. But, are all of the rumors floating around true? When blood runs and bodies drop, it will be up to the guests keen deductions to guess at who is to blame. And for those with an investigators nose, there may be clues in your surroundings to help you find the answers.

As the waning moon creeps out for the evening, all will come to be known. Prizes will be awarded to the person who follows the mysterious clues to completion first, and to a person who accurately deduces the guilty parties and motives of the evenings unfortunate events. The mystery will begin at 11am, all speculations must be submitted by 4:30pm.

Adult member fees will be \$7, non-members are \$12, children 17 and under are free.

The site is at the Boys and Girls Club at 4730 W. Grovers Ave. Glendale, AZ 85308.

## **Dragon's Horde**

**Barony of Tir Ysgithr**

**October 15-16, 2011**

The Barony of Tir Ysgithr is in need of your help! The Dragon has sent an emissary and his threat is dire. He plans to attack our scientists and artisans at the upcoming Science Exposition.

We call upon all fighters for help to defeat his minions. Rumor has it that the White Dragon is leading the invaders to our glorious Barony and he is bringing with him the Red and Green

Dragons, along with some horrible monsters. Tournaments will be held, virgins and picnic baskets auctioned, and so much more!

New this year is an Exposition of Scientific Invention. This is a display only event for all alchemists, artisans, and aspiring scientists within our Kingdom. There will be a Laurel's Prize and a Populace Choice prize. If you have ever wanted to try your hand at all the marvelous scientific inventions that developed during the middle ages, now is your chance. The best way to fight mythical creatures is with Science! Did you know that automatons, batteries, plumbing, hot & cold running water, flushing toilets, plastic surgery, astronomical computers, and steam power and so much more were all invented before 1600? Find your favorite, build it, and bring it to ward off the dragons and show off to your fellow inventors.

We will drive these beasts from our lands!!

Where: Himmel Park, 1000 N Tucson Blvd

Site opens at 9am and closes at 5pm both days. Site fee is \$3 for adult members, \$1 for children 5 -17, and free for children under 5. There is a \$5 non-member surcharge.
