NEWCOMERS CORNER:

Ye Newcomers Corner Merry Meet! Welcome to the Barony of Ered Sul Newcomer's Corner. It is our hope Ye Newcomers Corner will help our friends new to the SCA to get started on their own SCA journey. Come, walk the SCA path with us, friends! Hugs! Lady Leesha Southmoor I love talking to new people and making new friends. In some of my conversations with newcomers, a question that has been raised is: What is a good event to go to so they can get their feet wet?

Any question please feel free to contact Lady Leesha Southmoor (Carol Howell) at summerlucy@hotmail.com or my mobile 928-600-5255

Estrella War was so much fun! For new people, it was a grand opportunity to learn about the times we celebrated. It was a perfect time to shop for garb. Everyone was able to experience the drumming, dancing and singing. If you were new, before very long, you felt a part of the family.

It was a great opportunity to meet The King and Queen of Atenveldt and all of the Baronies were well represented. There were so many people and I was delighted to renew old friendships and make some new friends.

This issue I am continuing the thread on our Seasoned SCA members reaching out to our Newcomers.

If you know someone is new in our group, offer them information about events, where to

look for upcoming events (Direct them to our website). Help them find basic garb patterns or perhaps offer them some extra garb you may have.

Fill them in on what the upcoming events are about. Let them know how fun they are and how they are great opportunities to meet people and become a part of our family. Perhaps offer them a ride to the event or offer to meet them there and introduce them around. It really doesn't take much effort and could mean so much to the new person to our group.

If you see a new person at an event, perhaps go and sit down next to them. Tell them about the event or game they are watching. If it's an A&S workshop tell them what we are learning and why, if you know.

When we are new, we don't know what to call people. Its all still new and foreign to us. So if you offer the information and give them the basics, I am sure they will be grateful to you.

Be a friend and make a friend for life!
