

Barony of Granite Mountain

September 2018

The Ermine Spot

Greetings Granite Mountain Populace,

As the summer air begins it's change into the cool air of fall we begin to pick up a bit with activities. September 14th through the 17th is Champions in the Pines. Saturday we will have evening court followed by feast. We will also award those who have been working hard for Chookie's. It's a big box of the most wonderful gifts. After feast will be the bardic competition with the Champion announced at the end.

Thank you to Lord Devin the Silent for the wonderful A&S night's, and the Puzzle Chair workshops. They have all had great turn outs and it is great to see our Barony continue to be involved and enjoying the things we love to share. Thank you to all of you who have helped out either by lending a hand or teaching.

When we have had fighter practice in Prescott Valley, not cancelled due to stormy weather, it has been well attended. Not just fighters come but many come to visit with Our Chosen Family, share a new idea, or work on a project. It is truly a heart warming time to see all enjoying themselves.

As you all may or may not know we had to move our personal home. Thank you to those who took the time to help with moving and cleaning. What you all do to help others is what makes our Barony so wonderful.

We are looking forward to seeing what the next Archery tournament involves and being able to spend time with our Chosen family. Now that our personal life is a bit calmer we can do more activities with you.

If there is something you would like to help with, please reach out to us and let us know. There is always plenty to do and it is wonderful to see the workmanship that all of you have and share with us.

As always we appreciate award recommendations.

Yours in Service, Baron Asrikr and Baroness Jacomina

Letter from the Editor

September, where oh where has the time gone? It seems like this year is flying by.

This month we will be having Champions In The Pines. I hope that you can attend to enjoy all the fruits and labors that our Champions have prepared for this event. This truly makes our Barony shine. Look for the new chairs that have been made. If they aren't done then look for them at the next event. Thank you Lord Devlin for all that you are doing for all of us. **YOU ROCK!**

We also have A&S, Scriptorium, Archery and many more things coming up this month. Come out and enjoy learning something new or just hang out and visit with our Chosen family.

Also there was a mistake intentionally done in last month's newsletter. No one noticed or if they did they did not say anything about it.

This month if there are mistakes, they are just that. I try my hardest to make the newsletter entertaining and informative.

Remember Granite Mountain.....

ROCKS!

Yours in Service

Lady Lillias Mar

Kingdom Events

Greetings unto the great Kingdom of Atenveldt,

Calling all teachers, parents, and anyone who loves to inspire the next generation of our kingdom.

Our Kingdom needs people to teach the youth in almost every Barony. If you would like to take on this task, please check with your local Barony/Shire to see if a youth officer is needed. We need people who love to teach children and watch them learn new and interesting things. This is a volunteer position. That means that we need people like you to make it happen. Without youth activities, children become bored. When they become bored, they can cause trouble. We want our youth to have as much fun as us adults in this wonderful society we play in. If you are up to the task, please seek out your local Seneschal for a background check and warrant. You can be putting in a minimum of one hour per event with enough volunteers! So if you want to keep kids entertained and good, please consider becoming a local Baronial/Shire youth officer today!

In Service to the Dream,

Lady Katerina of Otford

Kingdom Youth Minister

A big shout out to Lord Devin the Silent our A&S Minister of Arts and Sciences. He has been busy creating workshops for all of us to learn, create and enjoy time with each other. A&S Night was Kumihimo and Fabric Stamping blocks. He cut out many shapes and sizes of wood blocks to make unique patterns on the block for printing on fabric. He also held a Barony Puzzle Chair Workshop. He took a lot of time out of his busy life to help many create such beautiful pieces of art that we can share and admire. Thank you Lord Devin for all that you do.

Lord Devin the Silent held a joint A&S night. Kumihimo taught by Lady Adler von Drakenstein and Lady Alsacia Rabynovicha. Lord Devin taught fabric stamping. A total of 18 were in attendance, two of which were newcomers. Most people engaged in both activities. I don't know where Lord Devin gets the energy but he sure does hustle and makes some great activities for us all to enjoy.

7 Scribes at Scriptorium enjoyed the Sunday Brunch which included Mimosa's and gave a nice break after working so diligently on Scrolls. This Sunday is our Second Brunch which will also once again include Mimosa's and there was a rumor about Bloody Mary's. For those of you who did not catch the post I made about this, this is the book of faces page called 100 Days of SCA Service. You sign up, introduce yourself and create a log of 10 minutes a day of work that you do for the Crown, or Barony. It can be work that you are doing alone or something at an event, including things you do for those in the SCA but in the mundane world. Because all the things we do to help each other make things better for us to enjoy the chosen dream. Lady Arria Marina who is from Kingdom of Atlantia started this project and it isn't just for folks from Atlantia, it is for people all over the Known World. I thought for sure it would take forever to finish this task, but I do work on something every day and night that is geared toward the SCA, scrolls, sewing Largesse, autocrating, events, practices, Kumihimo. If you think about it you do a lot and don't realize how much time you really are spending on what you are doing. The patch on the right is what you receive after 100 days of service, it is an iron on, but I'm sure can be sewn on as well on any garb of your choice. I did this because it is fun to share and get ideas from others about things we can do and it supports our crown, both Kingdom and Barony. Check out the post on the page and see if it would be something you would like to do. It really is a lot of fun, you get to meet new people this way from all over the world.

A new rank for Comptess Caroline Marie de Fontinailles! She achieved the rank of Bowman by reaching the average of 25 points in three rounds of 6 arrows each at 20, 30 and 40 yards, plus a 30 second timed round!!!! Huzzah

Lady Camere de Misericordia hit not one but 2 spiders, (the dead center of the target) with her crossbow at 30 yards. She is very close to advancing her crossbow to the elite rank of Bowmaster. Huzzah!!!!

Lady Liliias Mar has not ranked yet, but is enjoying learning the rules and ins and outs of great bowmanship. She is working to strengthen her muscle memory, posture but loves flinging arrows. She actually scored 10 points this last archery practice.
