

Barony of Granite Mountain

March 2019

The Ermine Spot

Unto the Populace of the Barony of Granite Mountain come greetings from your Crown,
Morgan and Elizabeth, and their Heirs, Franbald and Dionysia,

It has come to Our attention that soon, a polling will be held to determine the successors
to the thrones of your great Barony. However, word has also found Our ears that there
may be some concern from within the Barony as to the timing of the change, as well as
what that will entail.

We want to assure you all that We are all keenly aware of the challenges that have been
faced and overcome by this amazing group, and Our focus throughout this process will
primarily be to the health and wellbeing of the Barony. It is not Our intention to under-
mine any of the work that has been done to make this group what it is, but rather to
strengthen the bonds that already exist.

To that end, it is not Our preference or intention to change the Baronial status of the
group, nor do We foresee the need for Crown Lands. We are reviewing the Kingdom cal-
endar with Our Seneschal to determine the best course of action in terms of timing,
which will take some planning, but We wanted to let you all know that We are mindful of
your concerns and are doing everything within Our power to ensure that the transition is
as smooth as possible.

Should you have any concerns or wish to contact any of Us directly, please feel free to
email Us at crown@atenveldt.org or heirs@atenveldt.org

Warmly,

Morgan and Elizabeth

Estrella War brought everyone together due to the really ugly cold wet weather. Folks looked out for those who were in need of shelter, food, dry bedding or clothing. Bringing so many closer together not just for companionship but for warmth. Saturday it dried enough for fighting, archery and a host of other activities. Many in the North who did plan to venture to Estrella War were, yes, snowed in. Those who wanted to return home couldn't leave because of mud and those who wanted to travel South couldn't due to snow. What crazy weather this year, but water is always a blessing in our state.

The Ermine Wrap - March 2019

Congratulations to Kristoforos Jafnkollr on receiving a Beacon of the Desert! Huzzah!

For those who did not attend Estrella War, it was called Mudagedon by many. Camps were swamped, mud was everywhere, vehicles blocked the entrance/exit into War. Once you were there, you couldn't pack up and leave. Unfortunately there was no court at War, so no awards were given out.

The Ermine Wrap - March 2019

When the rain did let up there was a day of drying out, shooting and shield banging. His Majesty tried a crossbow upon the Archery field with our ever loyal Archery Captain!
Huzzah for the sunshine!
