

## The Ermine Spot

Greetings unto the Noble Populace of the Barony of Granite Mountain,

Champions in the Pines was spectacular! Thank you to everyone who lent a hand in the success of our Anniversary Event. As the Barony journeys forth into another year we felt it might be appropriate to look back on the past year and look ahead to where we go from here.

### \*The State of Our Barony\*

As we reflect on this past year we have seen a good many changes and stardust memories. We successfully hosted a magical Northern Yule complete with snow and Father Christmas! We moved forward in the new modern year giving the Northern warriors a grand day of fighting to prepare for the War ahead. The Barony brought pageantry and Baronial pride to Estrella War. Our camp was filled to the brim with our populace and friends who had all come together as family. We fielded fighters both armored and rapier and had archer's and thrown weapons representation on the range. Each day we feasted together in the great hall, and fed volunteers as well, in true Granite Mountain tradition. We even held a wonderful party and sent our visitor's home with a piece of the Mountain! In the spring we gave everyone a spectacular feast for the eyes and palate as we gathered upon the green fields of Watson Lake for Torneo de Belleza. This event was such a grand day encompassing everything that is the dream of the SCA. Chivalry, Pageantry, Feasting, and flirty fun! Beautifully done Granite Mountain! Later in the summer we had a wonderful day of learning for our annual BGM Collegium. This time we joined together with the Barony of Sundragon for their A&S Championship and it proved to be a great partnership. The new site was amazing, it was truly a great day for the Arts. Just around the corner our Barony once again hosted the Kingdom of Atenveldt's Crown Tournament and once again Granite Mountain didn't disappoint! A grand tournament was held amongst the backdrop of red rocks. Good gentles came from far and near to enjoy our Barony's warmth and hospitality. Finally our Champions event in the Pines of Willard Springs, what an amazing time. We were truly awestruck and humbled by all of our populace that came forward to declare for Champions. There are so many incredible artisans, fighters, archers, and bards. Granite Mountain is very blessed to have such talent in our lands. Also as a result of the successful events of this past year our Baronial coffers have grown! Over the course of this year the good folk of the Barony have accompanied us to nearly every corner of the Kingdom. We have been nurturing a new group forming in Bagdad and have seen two of our own reign as the monarchs of Atenveldt. So much has happened locally as well. We have held workshops for silk banners, tabards & caplets, chairs and largess. Our archery, rapier, and artisan communities have been growing and thriving. Our populace meetings are well attended and informative while continuing to bring all of us together for an evening of fun. We have had a game night, taught dance, and even went whimsy with Hawaiian court. This year has also seen growth in our numbers, so many new faces. Our officer core has worked very hard this year and is growing as well. Our year has been jam packed with activity, and great fun has been had by everyone. This is just a summary of our past year Granite Mountain, what is in store for us next year?

As we look ahead we hope to continue growing and putting on successful events. We already have event stewards that have come forward for 2016. We plan to put in more bids for Kingdom events. We want to expand our involvement in Estrella War. We hope to retain officers and welcome new officers as well. Show Baronial pride with stickers and T-shirts. We want to spend some of our hard earned monies for wonderful new additions to Baronial regalia. More workshops and get-togethers to come. We hope to start up thrown weapons in the Barony. There is also talk of a northern singing group. The Barony of Granite Mountain is made up of all us, if ever you want to discuss anything please contact us at [BGMCoronet@gmail.com](mailto:BGMCoronet@gmail.com).

We want to take these last few words to say all of this would not be possible without every one of you. You inspire us and we are proud to be your Baron and Baroness.

*"We are the Granite, We are the Stone, We are the Family that calls the Mountain Home."*

Baron Lutold  
Baroness Elsbeth

## ***Aten U!!! Nov 21st***

It's that time of year again for **Atenveldt University!** In keeping with the academic theme, let me answer the 5 W's:

**Who needs to attend?:** All officers and their deputies if possible. While everyone is welcome, officers are required to attend. Officers who are traveling from out of the Phoenix Metro area can submit receipts to get reimbursed for half of their fuel travel costs since this is a required meeting.

**What will we be learning?:** This year will be similar to previous years where we will have classes for all officers in the morning, officer breakout sessions in the afternoon, followed by an open forum roundtable. The morning classes will consist of: Internal Communications, External Communications, Putting Together Events- From bid to final reports with everything in-between, and Conflict Resolution.

**When do we get to learn all this cool stuff?:** Saturday, November 21st! Morning classes will begin promptly at 8:00 am, lunch will be 12-12:50, and afternoon breakouts will begin at 1:00 pm. The day will end sometime between 4:00 & 5:00 pm. Once again this year, we will be providing a free lunch that will be catered in for everyone to enjoy.

**Where are we going to meet?:** The site this year is the University of Advancing Technology, 2625 W. Baseline Rd., Tempe, AZ 85283. This is the same great site we used for Kingdom A&S Collegium.

**Why is it important for Officers to attend?:** Officer training is very crucial not only for all of our newer officers, but it's a great opportunity for a refresher for those who have been in office for a while. The morning classes are designed to help all of us be better officers and representatives of the SCA, and it's important that we are all on the same page with our specific office's policies and procedures.

Can't wait to see all of you there!

In Service,

Posadnitsa Natal'ia

The Champion of Trimaris holds the Helmet of Champions. The Helmet of Champions has great significance and the inscription below details what it has come to represent to many in Our Great Kingdom.

The Spear is an ancient and honorable weapon which has become a deadly part of SCA Combat. Various formats have been used to give combatants opportunities to display prowess with the weapon representing the Chivalric Virtues of Truth and Honesty. Spearmen have long been an important part of the Trimarian Army.

### An excerpt from Trimaris History, Timeline 1977:

The First Annual Seneschals; Drinking Contest - Additional Coronation Information

The first annual Principality Meridies Seneschals Drinking Contest was inadvertently left off the Coronation information. The drinking contest is definitely still going to happen, and will be held with the attendance of our newest honorary seneschal, His Excellency, Lord John Bearkiller. The Seneschals have challenged the heralds to a drinking melee after the main contest has finished, but so far no acceptance has been received. We have noticed, however, that the heralds have begun to drink a lot more lately. All those wishing to issue challenge to the seneschals, we hereby accept.
