*May 2016*

***Greetings Unto the Noble Populace of Granite Mountain,***

*The month of May brings with it great change as we say farewell to our beloved Royal Majesties, Casca and Melissa and prepare for the coronation of the newest Monarchs of Atenveldt, their Highnesses Craven ad Elzbieta. We regret we will not be accompanying you this time, as we have an important family commitment. We know many of you will be attending and will be representing our Barony in our stead, we truly appreciate it. We have our Shakespeare Festival demo coming May 17th in Cottonwood. We would like to see as many of you come out in support of this demo if possible. If anyone needs a ride to the demo, please let us know.*

*This month the Barony will be holding our annual Tournament of Beauty, Torneo de Belleza. Come witness the gallant fighters effort to win favor amongst the gallery. See one of the finest displays of beauty and pageantry set on the green fields of Watson Lake. New this year on Sunday there will be a Roses Rapier Tournament. Remember combatants will be fighting in teams of two, so start thinking about pan-ning for your team. We are asking for donations of finger foods to treat all of our guests to Granite Mountain Hospitality.*

The weekend brings Coronation followed by Torneo de Belleza, Highland Wars, Chamipions in the Pines and Collegium. As always our beautiful Barony will be busy preparing for all these events. If you have time please ask if there is something that you can help with. There are always things that are need for events. ### *OH THE THINGS YOU MISSED*

A&S was held at Lady Larken's with 7 in attendance. Lady Larken provided us with an abundance of food. Along with the great conversation much was planned for two banners. Lady Cynthia finished a beautiful banner that will be presented for Regalia.

Congratulations to M'lady Caitearina, she was the only person to turn in a coloring for the contest so she won the wonderful set of coloring pencils!

Archery has had a great turn out of folks working on their ranks. Rustand and Beth traveled to Sun Dragon to practice with them. There are several people working and learning to be a Deputy Marshall for Archery.

Thrown weapons which is held on Thursday evenings has also had great turn outs.

Rapier has two new carded fighters. Lord Kitajima is the Northern Marshall for Cut and Thrust.

Let's all work hard at making everything our beautiful Barony has to offer ROCK!

# We are the Wonders of the Seventh Wonder of Atenveldt

Meet Lady Camere de Miserichordia. She is a 12th Century healer who attends the wounded warriors after battles. Dispatching the mortally wounded by using her Miserichord. Her motto, "If I cannot cure you, I kill you."

Her mundane name is Danielle Koile, aka Dani Koile and in mundane life is a paramedic. She originally joined the SCA in 1983 in Hobbs, NM where she met her husband Jim (Lord Pol O Coliean). As she puts it, life got in the way. Last year they saw an announcement in the paper about Northern War Practice and decided to attend. They were introduced to the Baroness who answered all their questions. When they mentioned archery they were directed to Lord Rustand. The rest is history and they are both making a name for our Barony and themselves in the field of Archery.

Lady Camere also enjoys Scroll work. Her first scroll was given to Lady Cynthia de la Dale at Collegium. She is also the Deputy Arts and Science Minister.

At Estrella War she enjoyed everything, the people, pageantry, the fighting, drumming and the fantastic meals prepared by our own Lady Larken.

Lady Camere enjoys every event that her and Lord Pol attend. Her most memorable was Grand Outlandish outside of Albuquerque, NM in 1988 when she and Lord Pol were married in the SCA. Officially married earlier that year they wanted to also share their betrothal with their SCA family. It was magical!

## THE KINGDOM OF GLEANN ABHANN

Gleann Abhann (Gaelic for River Valley) became a principality of the Kingdom of Meridies on Feb. 6th, A.S. XXXIII (1999) during the reign of King Gareth III and Queen Sabine I.

The first crown tournament in the principality of Gleann Abhann was held on May 21st, A.S. XL (2005) in Small Grey Bear. Tar Radu won the crown tournament, with Broinnfhionn inghean Chathain as his consort. The original coronation date was to be October first, A.S. XL (2005).

However, just prior to the Coronation, The Principality of Gleann Abhann found itself under siege by Hurricane Katrina. The storm washed away peoples homes, jobs and memories - as well as the Kingdom Regalia. What was not washed away was the determination of the people of Gleann Abhann. Not two months later, on November 5th, A.S. XL (2005), through the relief efforts of the Known World and the spirit of the people of Gleann Abhann, Gleann Abhann became the Nineteenth kingdom in the Known World.

29	30	31				

King Henry VIII and Anne Boleyn's relationship started in autumn 1526, according to a series of love letters that Henry VIII wrote to Anne, which are now in the Vatican Archives. Henry was wooing Anne and she was rebuffing him at the beginning, even when he offered her the opportunity to be his maîtresse-en-titre, his official mistress. Although we don't have Anne's replies, we can see from what Henry writes in his letters that his offer obviously offended her and that he had to work hard to win her back. But Anne was not happy to be just his mistress, she wanted to be his wife.

Henry wanted the Pope to declare that the marriage to Catherine was invalid, mainly because Catherine had been married to his late brother and in the Bible this was seen as a sin. Henry and Anne were married in January of 1533.

3 years later, after series of stillborn births and a premature birth in January of 1536 Henry lost interest in Anne and looked for a way to end the marriage. Anne was accused of adultery and was executed for treason. Elizabeth, her only daughter, would later become Elizabeth I, Queen of England.

June 8th, 1042 - Harthacanute dies and Edward the Confessor becomes King of England.

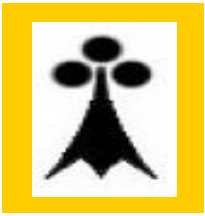

Harthacanute raised taxes to help pay for the defence of his large kingdom which included Denmark. Opposed to the increases a revolt started around Worcester and Harthacanute dealt with the rebels without mercy. Overall, Harthacanute was not a popular king, and when he died in 1042 without an heir the Saxon Edward the Confessor was chosen as his successor.

June 11, 1488 - King James III dies

James III endured a turbulent reign. He alienated many of his nobles to the extent that they rebelled against him, and he was killed at the battle of Sauchieburn on 11 June 1488, fighting against forces led by his eldest son, the future King James IV (1488-1513). The manner of his death led to one of the many 'conspiracy theories' that litter Scottish history.

June 29, 1214 - The Interdict on England was lifted.

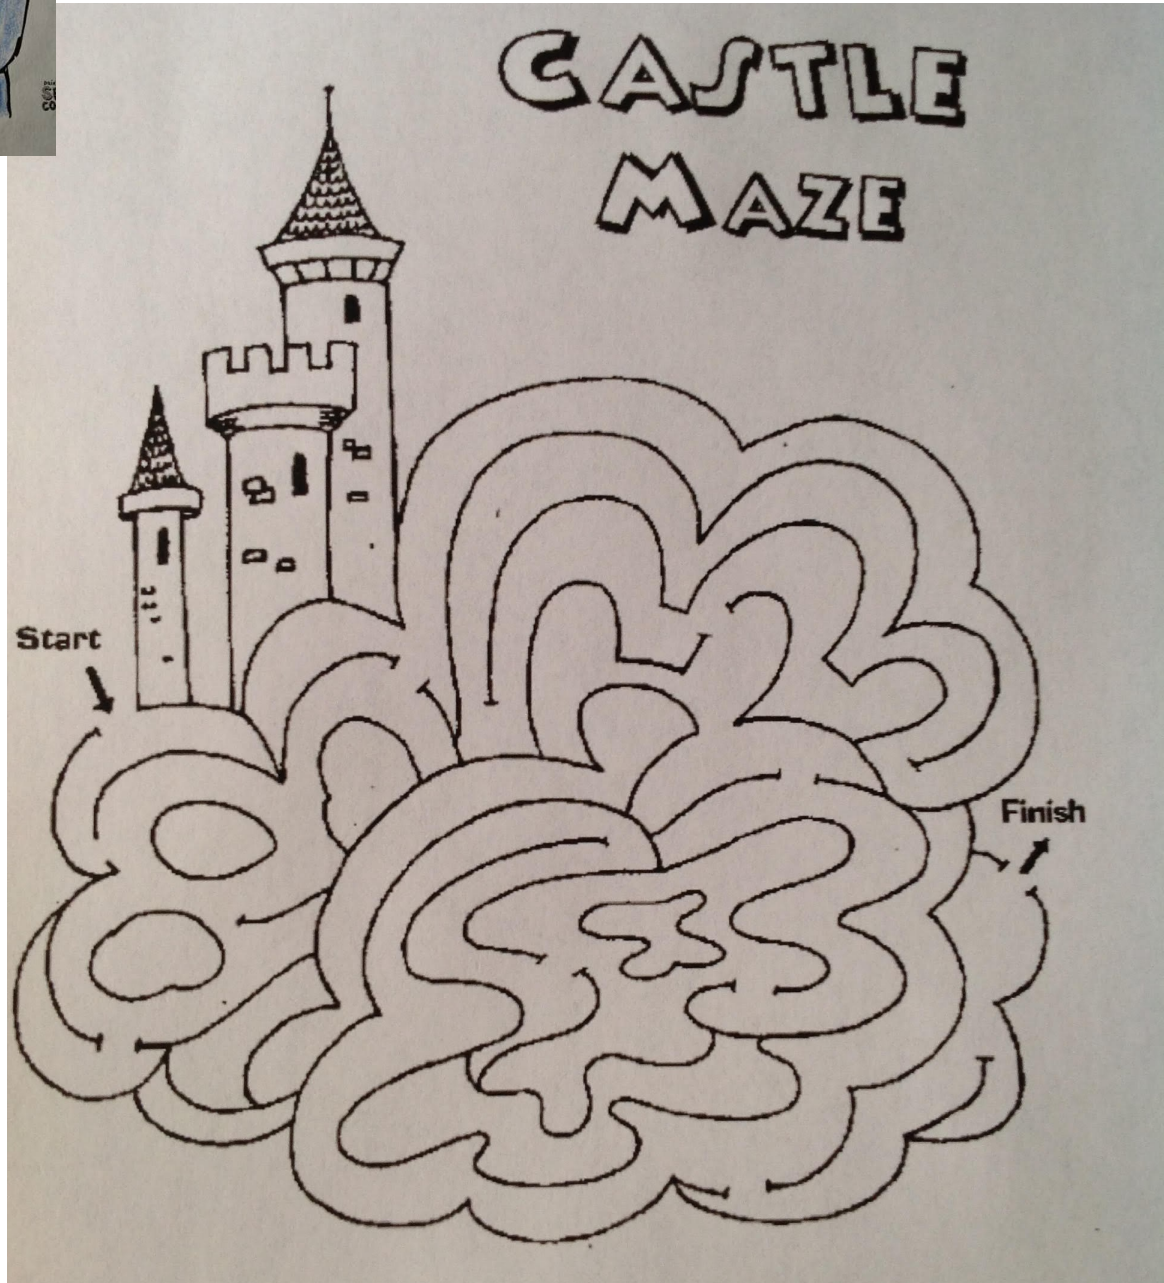

In 1208, King John refused to accept Stephen Langton as Archbishop and so the Pope served the Interdict on England. This meant that no religious services could be conducted. No marriages, burials, or baptisms could be performed! For many years the bells of the churches across England were not rung and people were not buried but King John still refused to accept Langton. Facing revolt from his own people and an invasion from France King John finally accepted the Pope's demands and let Stephen Langton into the country, and the church bells rang.
