Baronial Missive

Greetings SunDragon,

As We head into the month of March, We pause to look back on February with fond memories. We could not be more proud of Our family for all the work done at Estrella War in all areas. We hope that everyone who attended Estrella came back with great memories and got their fill of shopping on merchant's row.

Thank you to all who mustered with Us Saturday Morning to march on to the field with Their Majesty's of Atenveldt.

Thank you to all who helped attend or guard Her Excellency over the week and thank you to all who gave of their time to help both the Barony and Kingdom.

We hope that everyone is recovered from War and ready to join Us at Mixed Weapons War!

We do have a couple of open officer positions available so if you are interested in helping the Barony please take a few minutes, look to see what is open and submit a letter. [*Open positions are listed in the Regnum and letters should be submitted to the B&B and Seneschal, addresses also listed in the Regnum.*]

Gift to the barony

The Esprit d'Corps

by Lady Kandace Van de Libel

Last year at Estrella War XXXI, Brian the Pious and Lia le Citolur, the 90th Crowns of Atenveldt, bestowed upon our faire barony the Esprit d'Corps.

During Anno Societatis XXXIX, the Reign of Their Royal Majesties Craven and Ismenia designed this award to be given by the King and Queen to the "best dressed and displayed Aten war unit at the Estrella War."

The fighting unit can win numerous times and so His Excellency Simon has encouraged the populace to bring out and wear their war tabards and banners to process with to the fields of Estrella War XXXII.

Fellow Units: Award History

2/17/2008 to Eber Haur Landsknechts, given by Eduard and Asa

3/3/2013 to War Company of Twin Moons, given by Tristan and Damiana

March/2016 to Darbuka (From outlands, Drumming group), given by Casca and Melissa

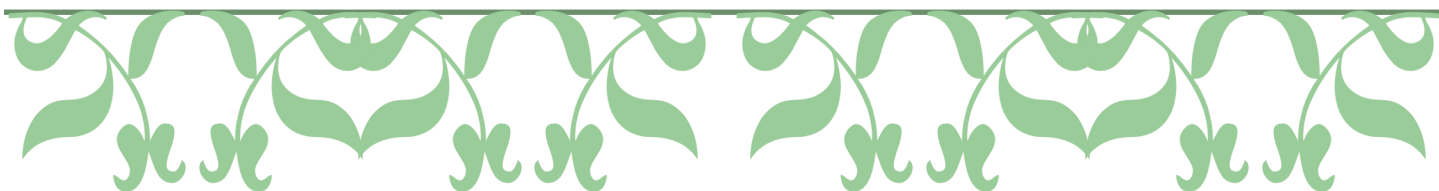

Award Blazon

Or, on a pile between two compass stars azure a torch Or, enflamed proper. [Badge to be displayed on a pennon including the year received].

The banner pictured above is the first banner I have ever attempted. Although I had many set backs, I enjoyed it and have since completed my second banner. I encourage others to try their hands at banner making!

Want AD: Baronial Minister of Arts and Sciences (3rd posting)

Salute aux les popleux de Barony de SunDragon!!

My term of service for the Minister of Arts and Sciences is up in March. I would like to announce that the position is open for letters of intent to be sent to the Baroness and Baron, the Seneschal and myself.

The letters have to be into them by March 31st as the warranted position will begin in April.

The services you will be performing for the Barony are scheduling classes, recording the attendance number for the class and sending to the Seneschal before officer's meeting. Conducting monthly A & S Showcases currently called "La Vitress". Being in attendance at most Thursday night weekly meetings. Working with the staff of the Peoria Community Center and the Seneschal for scheduling dates to hold the room in advance. If the room has to be given over to a local meeting being able to move our meeting or class to another room. The job is not hard and the teachers are informative.

I will continue on as Emergency Deputy for a backup.

Cordialement,

Isabelle Le Charpentier

WANT AD: A Missive from the Baronial Herald, Lady Sorcha inghen Chon Mhara

As many of you know, I have had the honor of serving as the Baronial Prism Herald since January of 2013. However, I will be stepping down as of May 31. The Baronial Prism herald is the SunDragon warranted herald but that does NOT mean that you have to do BOTH voice and book heraldry.

No prior voice or book heraldry skills are needed since SunDragon is blessed with several voice and book heralds who can help train and mentor you in those activities. In fact, when I was first warranted, I had no voice heraldry skills (and still don't) and the main book heraldry experience I had was from pursuing the requirements of the Rainbow's Gold. Because of the excellent voice heralds in the barony, I have been able to focus on learning book heraldry. And you too will have the option of focusing on one or both aspects of heraldry.

The primary duties of the Prism Herald include: 1) Submitting monthly Office Reports and Court Reports of awards that were given 2) Providing name and device consulting to the populace 3) Assisting with heraldic activities at events and 4) Updating and maintaining the Baronial Order of Precedence. The heralds' office may also have deputies to assist with the various activities of the office and I would like to remain active as a deputy book herald.

A detailed description of the duties can be found at <http://www.atenveldt.com/LinkClick.aspx?fileticket=5UxSKpwSuOE%3d&tabid=83&mid=1401>

If you wish more information about this position please contact Sorcha at cteguns@cox.net.

If you wish to apply for the position please send a letter of intent to all the following: Baroness and Baron sundragoncoronet@atenveldt.org; Seneschal sundragonseneschal@atenveldt.org; and Prism Herald – cteguns@cox.net

Illumination by the Hands of Lady Alesia Thompson

Q) I think I remember you entering some of these items in A&S showcases/competitions. Did you win any chookies or awards for any of them?

I entered the White Celtic Dragon illumination to be judged for SunDragon's Archery Defender for A&S and I won the title in Aug 2015. That was my first scroll.

Q) Were there any that you donated to a specific barony or kingdom?

[Yes, to] the Barony of SunDragon and the Kingdom of Atenveldt

Q) Do you know who may have been given one as an award & what it was designated for?

There was one that was awarded to Lady Emma Makeblise

Q) Anything else interesting about them or your techniques?

I try not to duplicate my work as I find repetition fairly boring.

Q) How long have you been illuminating?

9 months
