March 2017 Baronial Missive- The Last one

Greetings Unto the Glorious Populous of the Barony of SunDragon,

We, Gwenfrewi and Simon, send you love. At the end of this month, We will step down as the Baroness and Baron of these glorious lands. Words are not easy at this time. There is so much We want to say but finding the right words can be hard.

We have tried Our best to lead by example. We believe that, as Baroness and Baron, We should never ask the populous to do anything We are unwilling to do. We rolled up our sleeves and got the opportunity to work alongside Our friends and chosen family. This forged strong friendships that will stay with Us for the rest of Our lives.

We took leaps of faith. While continuing the proud, strong traditions of SunDragon, We looked for new ways to help the Barony grow. While not every endeavor was successful, We always learned something. You did not judge Us harshly when We made mistakes. You understood that under the Coronets are real people with real feelings. Thank you for your kindness.

Over the past three years, We were constantly inspired by your love and generosity. You inspired so many with not only your words but your actions. You welcomed newcomers into the Barony with open arms. You rekindled the stardust of those who have played for decades. You made the Barony of SunDragon great. We were just lucky to be there to see it happen.

We hope that all of you can join us at Mixed Weapons War as We step down from the Rainbow Thrones. We wish to say a proper good-bye to you in person. We know that you will welcome Our Heirs as your new leaders and show them the same love and respect you have shown Us.

Remember - You are Our monkeys and We love you!

Vivat the Dream!

I am presently working to see that we have a location for it that will be convenient for all parties. I will post when I have the details worked out and again ask for your forgiveness as we try to sort through this. A brief explanation is that it is entirely my fault why we are looking for a different event to hold it at, but I will rectify the situation. Two Want Ads: Webminister & Deputy Webminister

Webministers must meet the membership requirements of the office as outlined in Corpora. If a Webminister's membership lapses during the term of office that officer's warrant is considered terminated immediately upon expiration.

This position is very time consuming and working with additional deputies is strongly encouraged. While there are some technical aspects to this position, it is mostly one of managing processes and administration.

The ideal candidate for this position would be a self-motivated individual with strong management and average or better technical skills and a general understanding of web technology such as Hosting, DNS, and HTML. None of us is perfect, but there are some minimum requirements:

- Experience with writing or editing content
- Balance and judgment in matters political
- A computer with reliable, fast internet connection available 24 hours a day
- A working telephone
- Regular contact with Kingdom/Baronial activities
- Ability to meet the ongoing requirements of the Webminister position, primarily but not limited to: Regular updates to Baronial website, Timely responses to inquiries and communications from corporate officers and members of the Board of Directors, as well as other Kingdom/Baronial level officers, Submission of entries/reports to the Kingdom Webminister, Maintaining local website on par with Kingdom policy compliance, Other duties and special projects that may be assigned by the Society /Kingdom Webminister

For more information: <http://www.sca.org/officers/webminister/WebministerHandbook.pdf>

The Deputy Webminister will serve to support and back up the Webminister and assist in any tasks associated with the office of the Webminister.

If you wish more information about these positions please contact Lord Gereon at Michael.Loudermilk@gmail.com or the baronial seneschal.

If you wish to apply for either position, please send copies of a letter of intent with your qualifications, SCA & Mundane name, address, and membership number to all the following: Baroness and Baron sundragoncoronet@atenveldt.org; BSD Seneschal sundragonseneschal@atenveldt.org

TWO WANT ADS:

RAPIER MARSHAL & DEPUTY RAPIER MARSHAL

As a marshal it is your duty to know and understand the rules provided in the Rapier Marshal's Handbook and to teach and share them with the participants we train and authorize. Be aware of changes and updates to these rules and policies and clarifications made to your kingdom and Society standards. Frequently visit your kingdom and Society websites to stay up-to-date and stay active.

Regular attendance at fighter practices is expected.

The Rapier Marshal shall ensure that:

- A. Rapier Combat shall be conducted in accordance with the Rules of the Lists of the SCA, Inc., Society Rapier rules, and such further rules as are established herein by the Kingdom of Atenveldt.
- B. All combatants, prior to every combat or practice, shall ensure their equipment is safe, in good working order and has been inspected by a member of the Kingdom Marshallate authorized to inspect rapier gear.
- C. At interkingdom events, for any given Kingdom's tourney, guest combatants shall meet SCA standards for protective gear, but shall comply with whatever weapons standards are being used by the host kingdom for that tourney.
- D. The Crown's representative upon the field and in all matters dealing with Rapier Combat is the Earl Marshal, then the Kingdom Rapier Marshal, then, by delegation, members of the Kingdom Rapier Marshallate.
- E. There are two categories of rapier combat in Atenveldt, each requiring separate authorization. These categories are: 1) heavy rapier 2) cut and thrust rapier . Except where noted, all rules apply to both forms of rapier combat. One of the major differences is the allowable blades.

There are three near-equal priorities in marshaling; safety, fair witness, and showmanship. Overemphasizing any one of these at the expense of the others will tend to make the fighting less enjoyable for everyone (although, if you must go overboard on one, pick safety).

All warranted or rostered marshals shall be members of the Society for Creative Anachronism Inc.
