

# CHRONUS DRACONUM

## Baronial Missive

Greetings to the vibrant and beautiful populace of SunDragon!

Investiture was a dream come true for Us. Thank you to all who worked so hard to make the Dream a reality for Us and the Populace. Your work is greatly appreciated. With Investiture over, it is with great anticipation that we greet the joys and challenges of our fair Barony. It is Our sincerest hope that everyone, old or new, will find the home, comfort, and joy that We have found in the halls of the dragon.

Reflecting upon these feelings of family, We are reminded of the rainbow. Red - the color of blood and violence, love and passion. Red reminds Us of members who engage in combat and how they passionately defend the populace and work to serve and protect with every bit of passion they possess. White is the color of purity and innocence. Our Youth greet new challenges with enthusiasm and remind the populace that this is fun. Blue is the color of wisdom, trustworthiness, and dependability. Those who enrich our Barony through service provide the foundation for all of us to reach the stars. Yellow, the color of remembrance and light, brings to mind the necessity and value of our long-standing members who are the guardians of our history and traditions and the teachers that help us take our first steps of our journey. Purple, the color of wealth, creativity, beauty, and magic, is the color of our artisans whose devotion to beauty bestows pageantry and stardust to all of our endeavors. Each color represents a single strength. Together, they are the Barony of SunDragon Rainbow: A family of colors that symbolize strength, courage, hope, promise, and commitment. We ask that each of you become a color in our rainbow. We started the process during Our first court bestowing favors upon each member of our populace. Each group of people linked arms with the next to complete a SunDragon Rainbow of People - a family committed to using our words, actions, and talents to weather the sorrows and share in the joys. We welcome all to our family.

In the coming weeks, We will be seeking people to take a role in our barony through service in the Officer Corps, getting the website up, and having an amazing time with all of you. There are also changes to kingdom law that will need to be discussed, as they affect event scheduling and presentation of awards. We are confident that the changes will not adversely affect the Barony's enjoyment of the Dream, and will simplify event planning.

Yours Always in Service to the Barony and the Dream,

Jacqueline

## Two Want Ads: Webminister & Deputy Webminister

Webministers must meet the membership requirements of the office as outlined in Corpora. If a Webminister's membership lapses during the term of office that officer's warrant is considered terminated immediately upon expiration.

This position is very time consuming and working with additional deputies is strongly encouraged. While there are some technical aspects to this position, it is mostly one of managing processes and administration.

The ideal candidate for this position would be a self-motivated individual with strong management and average or better technical skills and a general understanding of web technology such as Hosting, DNS, and HTML. None of us is perfect, but there are some minimum requirements:

- Experience with writing or editing content
- Balance and judgment in matters political
- A computer with reliable, fast internet connection available 24 hours a day
- A working telephone
- Regular contact with Kingdom/Baronial activities
- Ability to meet the ongoing requirements of the Webminister position, primarily but not limited to: Regular updates to Baronial website, Timely responses to inquiries and communications from corporate officers and members of the Board of Directors, as well as other Kingdom/Baronial level officers, Submission of entries/reports to the Kingdom Webminister, Maintaining local website on par with Kingdom policy compliance, Other duties and special projects that may be assigned by the Society /Kingdom Webminister

For more information: <http://www.sca.org/officers/webminister/WebministerHandbook.pdf>

The Deputy Webminister will serve to support and back up the Webminister and assist in any tasks associated with the office of the Webminister.

If you wish more information about these positions please contact Lord Gereon at Michael.Loudermilk@gmail.com or the baronial seneschal.

If you wish to apply for either position, please send copies of a letter of intent with your qualifications, SCA & Mundane name, address, and membership number to all the following: Baroness and Baron [sundragoncoronet@atenveldt.org](mailto:sundragoncoronet@atenveldt.org); BSD Seneschal [sundragonseneschal@atenveldt.org](mailto:sundragonseneschal@atenveldt.org)

## TWO WANT ADS: RAPIER MARSHAL & DEPUTY RAPIER MARSHAL

As a marshal it is your duty to know and understand the rules provided in the Rapier Marshal's Handbook and to teach and share them with the participants we train and authorize. Be aware of changes and updates to these rules and policies and clarifications made to your kingdom and Society standards. Frequently visit your kingdom and Society websites to stay up-to-date and stay active.

Regular attendance at fighter practices is expected.

The Rapier Marshal shall ensure that:

- A. Rapier Combat shall be conducted in accordance with the Rules of the Lists of the SCA, Inc., Society Rapier rules, and such further rules as are established herein by the Kingdom of Atenveldt.
- B. All combatants, prior to every combat or practice, shall ensure their equipment is safe, in good working order and has been inspected by a member of the Kingdom Marshallate authorized to inspect rapier gear.
- C. At interkingdom events, for any given Kingdom's tourney, guest combatants shall meet SCA standards for protective gear, but shall comply with whatever weapons standards are being used by the host kingdom for that tourney.
- D. The Crown's representative upon the field and in all matters dealing with Rapier Combat is the Earl Marshal, then the Kingdom Rapier Marshal, then, by delegation, members of the Kingdom Rapier Marshallate.
- E. There are two categories of rapier combat in Atenveldt, each requiring separate authorization. These categories are: 1) heavy rapier 2) cut and thrust rapier. Except where noted, all rules apply to both forms of rapier combat. One of the major differences is the allowable blades.

There are three near-equal priorities in marshaling; safety, fair witness, and showmanship. Overemphasizing any one of these at the expense of the others will tend to make the fighting less enjoyable for everyone (although, if you must go overboard on one, pick safety).

All warranted or rostered marshals shall be members of the Society for Creative Anachronism Inc.

For more information: <http://www.atenveldt.org/LinkClick.aspx?fileticket=wpzBxUyJ2AU%3d&tabid=82&mid=1396>

The Deputy Rapier Marshal will serve to support and back up the Rapier Marshal and assist in any tasks associated with the office of the Rapier Marshal.

If you wish more information about these positions please contact the baronial seneschal.

If you wish to apply for either position, please copies of a letter of intent with your qualifications, SCA & Mundane name, address, and membership number to all the following: Baroness and Baron [sundragoncoronet@atenveldt.org](mailto:sundragoncoronet@atenveldt.org); BSD Seneschal [sundragonseneschal@atenveldt.org](mailto:sundragonseneschal@atenveldt.org)
