BARONIAL MISSIVE

Good SunDragon populace,

October has been an exciting and eventful month for Us. We saw an amazing turnout at Our Arts and Sciences Competition with some amazing examples of the artistry of Our baronial members. We also had an amazing event that We shared with Our neighbors in the Barony of Atenveldt. This was Our first opportunity to choose Our champions for the coming year, and you, the populace, did not disappoint.

First, We wish to acknowledge Our outgoing style champions as well as Our Baronial Champion, Lord Cullen and Chatelaine, Lady Octavia Marie. Both of these individuals have given of themselves to better Our barony and represented Us and Our predecessors, Gwenfrewi and Simon, with honor and chivalry in every endeavor.

After much deliberation and consultation with Our champions, Thegn Nootka, and Banthegn Gilda, We made the very difficult decision to retire the position of Sergeant of the Guard of SunDragon. This position was originally created many years ago so that there would be someone to serve as guard in the transitional periods in between champions at a time when there was not a Permanent Guard or sufficient champions to take on the role. As time has passed, We now have several worthy individuals who are able to take on this responsibility when needed. Additionally, there were many individuals who expressed a desire to take on this role but with the current tradition, this was not possible. Thegn Nootka was the first Sergeant of the Guard, and under the auspices of Viola and Wilhelus, he transitioned that responsibility to Captain Eric, the senior most champion of SunDragon. Both of these individuals served in this role with honor and distinction, and the barony owes them a debt of gratitude.

However, with the passing of one tradition, came the rebirth of another. During court on Sunday, We once again rang the bell in remembrance of Our beloved baronial members who have crossed over the rainbow bridge. This is a tradition that dates back many years, and is one that We are honored to re-introduce to the populace.

Another time honored tradition was revealed to the populace, as Their Excellencies of Atenveldt awarded SunDragon the Palm of Atenveldt, and We in-turn, awarded the Barony of Atenveldt the full Honor of SunDragon. This tradition was a way to show the ongoing bonds of friendship and respect between Our two baronies.

We had the extreme pleasure of revealing Our new commander's awards to the populace and to add new Companions to each of the commanders' orders.

Finally, we recognized Our new style champions, as well as our Chatelaine, Aurora of the Horny Horses, and Our new Baronial Champion, Eric the Bald. Both of these individuals have earned Our respect and their places behind the Rainbow Thrones.

In November, We have much to do. We will see the ascension of the newest heirs to the throne, Marek and Golda, and We look forward to Their leadership and inspiration in the coming months. We also look to the south, where we will be supporting Our baronial allies at Southern Crusades.

Now, looking forward, We have much to consider. Off, in the distance, We can hear the drums of war beginning to beat. The stag army is on the march to invade Our kingdom, and We must prepare to send Our army to meet any who would challenge. We entreat Our champions and populous to begin training in the tactics of war, so that We may be ready to repel these invaders.

We hope that the coming season is joyous and filled with thanks for all of Our blessings. We continue to be thankful of the wonderful populous which We serve.

THE BARONY OF SUNDRAGON COMMANDER POSTHUMOUS AWARD RE-DESIGN STORY

By Master Raven Mayne

In 2014, my wife, Mistress Tvoislava Michelovna , and I, Master Raven Mayne, went to the Known World Bardic and Cooking Symposium in the Kingdom of Northshield. While at one of Their courts, we witnessed a gentlemen being given a Non-Armigerous Award titled "Order of the Saltire." This award is given to those who continue to travel and teach. The official representation for the award was a personal SCA device of a deserving individual who had passed away. This got me wondering if the Baron and Baroness of SunDragon would consider doing something like this. We started thinking about what awards could be applied to this idea, and which individuals who had passed away in the Barony of SunDragon were exemplary in representing certain awards.

We came up with the following:

- * Commander of the Honor of Sun Dragon; Master Yehuda of Nuremburg, OP [Service]
- * Commander of the Dragon's Scale of Sun Dragon; Mistress Mary Margaret of Derby, OL, OP [Arts and Sciences]
- * Commander of the Dragon's Fury of Sun Dragon; Lord Otto Blauschild [Fighting Arts]

At the next Barony of SunDragon Officer meeting, I was able to bring up this idea under new Baronial business. The idea was met well from all in attendance. It wasn't as simple to implement as we had thought. Book Herald, Lady Sorcha inghen Chon Mhara took the reins and tried to make this idea happen. The paperwork had to be "created" as the process was an unwritten guideline from the SCA. Then, permission and signatures from family members of those who had passed was sought [Death Certificate, documentation of who is in charge of the members' estate, etc.]. Lady Sorcha worked at it for months, but ultimately things just stalled out.

During this time, my wife and I talked to Mistress Katheline and Master Ryan who were the 8th Coronet of Barony of Sun Dragon and the creators of the Barony of Sun Dragon Commander Awards. We discussed our proposed alterations and were relieved to find they were both in favor of it. Finally, in May 2017, I was given permission by Baroness Jacqueline de Bretagne and Baron Gefroi le Gris of Sun Dragon to do whatever I could to get this idea moving. With the assistance of the Kingdom Book Parhelium Herald, Mistress Marta as-tu Mika-Mysliwy, at Kingdom Collegium on June 3rd all the proper paperwork was signed and official.

On October 28th, 2017 at the Barony of SunDragon Champion event, Baroness Jacqueline and Baron Gefroi relayed this story in court and handed out newly commissioned and designed medallions for the Premiers of the Commander and Commanders.

Now three Commanders of the Barony of Sun Dragon awards will be melded together. With this change, these wonderful people will have a legacy and be forever immortalized.
