

CHRONUS DRACONUM

Baronial Missive

Good populace of SunDragon.

Spring has sprung, and the dragon's breath can be felt in the valley of the sun. During the last month as we have been working settle in as our representatives to and of the Crown of Atenveldt, we have been reflecting on the amount of work required to administer to the needs of the barony. Serving in our respective roles as baronial officers was among the most rewarding experiences of our time in SunDragon, but it was also one of the hardest. The Baronial Officers are an integral part of the inner workings of our barony often spending hundreds of hours in the execution of their responsibilities. Each and every one of them has passion for their discipline and work tirelessly to encourage participation and growth within the barony. Sometimes, I think, as a Populace, we fail to recognize these attributes. For ourselves, we would like to say thank you to all of those who serve giving of their time and expertise to make our barony glorious. We ask that each of you take a moment in the coming month to offer thanks, a compliment, or even make a gift of your time as a way of showing gratitude to these officers, without whom our fair barony could not be. For as the populace is the flesh and blood of our baronial family, its officers are the backbone.

We would also encourage the populace to bring questions and concerns to our monthly baronial business meetings that are open to our populace. We encourage you to write to us and talk to us in person. It is our wish to give support to all members of our baronial family.

We also encourage you to look over the vacancies in our officer corps, and take on an office in service to the barony. Try something new. Make a difference in the future of SunDragon. You won't regret it.

MAY COURT NIGHT; MOTHER'S DAY POKER-STYLE FIGHTING TOURNAMENT

Traditionally, it is encouraged for fighters (hard suit or rapier) to invite their mothers so they may fortify her honor through chivalrous fighting! Fighters may have a replacement consort if their mother is unavailable. If a mother is participating in the fighting she should have a consort to fight for.

All the fighters fight each other per the list using their consort's weapon of choice.

Before the start of the tourneys, each mother/consort draws a 5 card hand from the deck. Whenever a fighter wins, the consort he or she is fighting for blindly draws a card from the losing consort's hand and keeps it. The losing consort then draws another from the deck, thereby maintaining a hand of 5 cards. There is no limit to the number of cards a consort can have through victories, but each consort will always have at least 5. Once all fighters have fought each other, the mothers/consorts present their best poker hands (of 5 cards). The mother/consort from each style with the best 5-card poker hand wins!

Please invite your friends & family!

Garb is encouraged for court nights. If you have guests that would like to borrow from the Gold Key's loaner garb please make such arrangements soon.

Keep an eye out for details about food for this event.

Dear Artisans, A Request

Greetings Great Artisans!

I am the largess coordinator for TRH during Their reign as 95th King and Queen of Atenveldt. Please email me if you or your household would like to contribute or would like to know more about what may be involved. I can provide lists of needs and forms to give credit where credit is due.

I would like to offer “largess build days” at either BSD A&S nights/Fighter practices– please let me know if an event like this would interest you so I know if I should pursue planning them.

I am able to collect at any of the 3 central baronial fighter practices if I am given advance notice. (Nisha/THL Finola can be contacted for Southern Baronies). I will also be prepared to collect items at coronation weekend and if you bring 7 similar items you can enter the Lucky 7 Kingdom Largess Derby!

Thank you for your generosity and time,

An Atenveldt Heraldry History Lesson, from Lady Kandace Van de Libel

Before we were a Kingdom, Atenveldt was the Principality of the Sun. The Prince's arms were blazoned: Argent, a fireball proper within a laurel wreath azure. The ensign was: Per fess argent and azure, in canton a fireball proper (Ensign). The arms of the Princess were: Argent, a fireball proper within a chaplet of roses, in chief an ancient crown azure.

According to the Sumptuary Traditions/Laws of the Kingdom of Atenveldt, anyone who holds an award from the now closed Principality of the Sun has the right to bear this ensign (above) if they so desire.

The Present Day Ensign of Atenveldt maybe displayed by members of the populace and is shown below. Blazon: Per fess azure and argent, in canton a sun Or. (Ensign)

Changes to the Lex Atenveldtus

The Lex Atenveldtus is the document containing the written law of the Kingdom of Atenveldt. The word of the Crown is law, subject to Modern Law and Corpora.

The most recent changes have been highlighted in the May edition of the Southwind (newsletter for the Kingdom of Atenveldt). <http://sca.org/docs/pubs.html>

The new laws do not take effect until May 6th (Coronation). Once they are official, a new copy of Lex distributed to all Seneschals and on the Kingdom website.

Questions may be sent to the Kingdom Seneschal at: seneschal@atenveldt.org
