## Newsletter for the Barony of SunDragon

### SunDragon Populace,

It has been a very busy winter and spring in the glorious Kingdom of the Sun. Estrella War was an amazing week filled with fun, family, and numerous accomplishments by our populace members. Our archers shot straight and true, and among them Lady Seki Tora came out on top

On the battlefield, a battle of 20 unbelted fighters were selected to represent Atenveldt against a similar force from Outlands. Among the 20 chosen from among the Aten ranks were 5 fighters from SunDragon (1/4 of the team). Needless to say, Atenveldt emerged victorious!

At Baronial Court, we were joined by His Excellency Ulf, Baron of Fenix, from the Dragon Rhelm of The Middle Kingdom, who is also an original Sundragon member. We recognized 4 of the populace with their full Dragon's Fury, and were honored to include Lord Jacob inn Rammi into the order of the Commanders of the Dragon's Fury. We were also briefly joined by HRH Alric, Dragon Prince of Midrealm, who offered tokens of thanks for the warm hospitality of the barony in hosting him and his retinue. We also had to bid farewell to Master Dietrich, as his modern life required that he relocate to foreign lands. Words cannot express his value to this Barony (and Kingdom), and he will be missed. We wish him absolute success and happiness in his new endeavors. On Sunday of war, Baron Ulf inducted our populace into the Flock of the Fenix, their baronial award for exceptional hospitality by a group. We will be having a banner made in keeping with the charter of that award.

Mixed Weapons War was a great success, and a good time was had by all. Sir Neo and Lord Leo organized fun and unique fighting scenarios, Lord Ulric offered a challenging archery shoot, Lady Fine hosted a highly entertaining bardic competition (and mixed drinks competition), and all attendees were fed to their hearts content by Lord Xavier and by Mannor Rose. Her Excellency Jacqueline bestowed her favor on Lord Leo for his continued enthusiasm and chivalry.

The Barony also moved to its new fighter practice location at Pioneer Park. We think this new location will serve us well.

At Mid East Feast we saw the selection of our future cousins, and heirs to coronet of Twin Moons, Seved and Tetinka.

In the coming months, we have much to enjoy. In early May we will see the assention of Ivan and Ianka to the Solar thrones of Atenveldt. May they reign with wisdom, justice, and grace. In June th Barony of Twin Moons will be investing their heirs at their baronial birthday event. More importantly (arguably) Sundragon will be hosting Fabric War!!! Lady Bianca has an amazing event planned, with a Turkish bazaar theme.

We wish good tidings and cool shade to all as the dragon, once again, prepares to breathe its fire across the Kingdom.

In Service to the Barony, the Kingdom, and the Dream,

Jacqueline Getroi
