We need your bids!!!

In the Baronial populace meeting yesterday, we were reminded of all the bids needed for our Barony to submit in order to support the event of the kingdom.

Please submit your write-up and a completed the budget form to [Their Excellencies](#) & [the Seneschal](#)

- **Fabric War (event date June 22, 2019)** bid due to SunDragon by March 3rd, 2019
- **BSD Baronial Champions (event date Oct. 25-27, 2019)** bid due to SunDragon by April 7th, 2019
- **Fall Coronation (event date Nov. 2-3, 2019)** bid due to SunDragon by May 5th, 2019
- **Mixed Weapons War & BSD Investiture (2020)** We are now accepting bids with the following precautions: Please consider the flexibility needed to help accommodate the vision of the investees who will be stepping up at this event. Those who are considering running for the next Baroness & Baron of SunDragon should refrain from submitting a bid (in case you win as you will already be busy!) or be sure to have 1-2 solid, co-autocrats willing & able to step in/take over full duties.

In the [BSDChronus-July2017.pdf](#) Lady Emma supplied a wonderful account of "How to Autocrat an Event."
