LOI: Lady Valdisa Álarsdóttir and Lord Wolff Schultz

(V&W page 1)

Unto Their Royal Majesties, Their Royal Highnesses, the Honorable Kingdom Seneschal, The Baroness and Baron of Sun Dragon, and the Glorious Populace of the Barony of Sun Dragon, we offer warm greetings.

It is with the upmost respect that we, Lady Valdisa Álarsdóttir and Lord Wolff Schultz, do hereby present our names for consideration as candidates for the next Baroness and Baron of Sun Dragon.

We have called the Barony of Sun Dragon home since we joined the Society. The members of the Barony have become our closest friends and chosen family. They have mentored and inspired us. We are at a point in our lives where we would like the opportunity to do the same for others.

If granted the opportunity to serve as Baroness and Baron, our vision for the barony is to continue to foster a welcoming, friendly environment where everyone feels genuine support, acceptance, and camaraderie.

In order to support this vision, we will endeavor to:

- Assemble a strong, competent, and diverse officer corps to assist with managing Baronial affairs.
- Develop a comprehensive, action plan for active recruitment and retention.
- Build and strengthen family-oriented programs, and skill and service programs.
- Promote and encourage the recognition of skills and services.
- Explore and nurture new, creative ideas and activities while maintaining our traditions and teaching our history.
- Continue to cultivate a strong marketing schema that promotes the Barony and represent her in a positive light.
- Promote activities that engage 1) individuals within the Barony with each other, 2) our Barony with other Kingdom Baronies, and 3) our Barony with others outside of Atenveldt.

From the time we began considering putting our names forward, we seriously explored the time, money, and effort required to successfully lead the Barony of Sun Dragon. We have actively sought the council of the current and former BSD Baronesses and Barons and other landed Nobility. We have asked populace members for their vision and goals for the Barony for the next reign as well as any concerns they have. We believe we understand the environment and that we possess the skills to successfully and effectively lead the Barony.

Lady Valdisa has been recognized with an Award of Arms (2013), a Flower of the Desert (2015; art), Fleur de Soleil (2018; art), Dragon's Heart (2018; courtesy), Dragon's Scale (2019; art), and held the Baroness's Favor (2013). She has served as BSD Chirurgeon (3/2013-3/2015) and Estrella War Volunteer Support Deputy (2019-2020). Valdisa is the current BSD Exchequer (3/2019-3/2021) and is currently in process to become a mentor for the Youth and Family Achievement program. She has stood as a Lady in Waiting to the Baronesses of Sun Dragon for at least one year per Baronial reign. Valdisa enjoys a variety of Arts and Science related activities.

Lord Wolff has been recognized with his Award of Arms (2014), a Blood of Fenris (2019; fighting), Dragon's Heart (2018; courtesy) and Dragon's Fury (2019; fighting). He served as the Overall Champion of Sun Dragon under Baroness Jaqueline and Baron Gefroi (2018-2019). He has been a member of the guard for at least one year per Baronial reign. He enjoys fighting hard suit, teaching hard suit fighting and tactics, and building armor. He has also been involved in archery and thrown weapons. He is currently squired to Duke Jonathon von Trotha.

We are fully aware of the duties, responsibilities, and obligations of the landed Nobility and are willing and able to fulfill them with the utmost respect and diligence. We are committed to a three-year term of service, barring displeasure of the Crown. Both of our memberships are current through October 2024 (through the next Baronial reign). We understand that should our letter be accepted, it will be published in Southwind and Chronus Draconum.

We most ardently thank you for this opportunity to be considered for the position of Baroness and Baron of the Glorious Barony of Sun Dragon.

Yours in Service to the Kingdom and Crown of Atenveldt and to our beloved Barony,

Quarterly gules and sable, a double-headed eagle within an orle Or

Unto their Royal Majestic's Franbald and Dionisiya; their Royal Highness's Morgan and Elizabeth and to Their Excellency's Jacqueline and Gefori; do we Dame Jacquelin de Normandie and His Lordship Gregoire le Gris send fond greetings!

This hereby letter of intent outlines our sincere desire and dreams to be the next Baroness and Baron of SunDragon. We feel that we have the qualifications and experience to full fill this title for both the barony and the kingdom. We understand the time and dedication that it takes to be successful and have a clear understanding of the rules and regulations of the Society as a whole.

To us the position of baroness and baron is multi-facet having both the administrative and educational side along with enjoyment of growth and well-being. Below we wish to outline our ideas and concepts for each of the above-mentioned areas.

We bring to the table in the aspect of administration of the barony the skills Jacquelin has learned though both achieving a Master in Business Administration, and general management responsibilities within her mundane life. H/L Gregoire also brings in his experience owning a successful business and understanding the concepts of responsibility to maintain that business. Both candidates have held numerous positions within the kingdom, barony, shires, and Estrella War in the lands of Atenveldt.

Dame Jacquelin has spent 31 years in the society, is the founding Seneschal of both the Lost Canton of the World's Edge in Gaum and the Shire of Windale in Atenveldt, along with being twice a kingdom officer, worked numerous years on the Estrella War staff, also been Minster of Arts and Science, Chronicler and Reeve. H/L Gregoire has been a member of society for 25 years and has been both baronial and shire level officer as Seneschal, Knight Marshal, Archery Captain, Herald, and Scribe. He has worked in both security and special needs at Estrella War. It is these qualifications that we feel will make us a good Baroness and Baron.

We will work in depth with each officer to ensure their success in their positions, help in recruiting members of the populace to fulfill deputy positions and to encourage education of said positions. It is our plan to sit with each officer, to listen to their ideas and problems they face in their position and help develop a game plan to make that office successful. Another area we wish to explore is how to achieve accurate timelines for events and the paperwork that those events require by listening to past steward's difficulties and success with the events that they managed. We also know that the populace have many great ideas and we will listen to those ideas, develop committees among the populace and encourage them to develop and present to the officers, those ideas to see how they will flourish. We will be reaching out to the other Barons and Baronesses of this kingdom to promote and foster a good working relationship through participation and communication. We hope that this endeavor will promote intra-baronial participation and growth among the baronies and the kingdom as a whole.

(continued next page)

The promoting of both our barony and our populace will be a strong goal that we wish to achieve. The recognition of our barony and her populace is critical and so we will lead the populace in submitting letters for awards, to host kingdom level events, to encourage Knights and Master of Defense to work with our fighters, Laurels to work with our artisans and Pelicans to guide us in the ways of service. We will invite other baronies to participate in both events and non-events to foster inter-communication and friendship between the baronies.

Education is a strong foundation within the society and it is our intention to adventure out in the public with the barony to our local communities. We will form a committee to go out and seek those avenues that we can show our fine skills, and bring knowledge of the SCA to them. This will include but not limit to community colleges, high schools, community centers and other such venues. Education will also include within our group through our fighting skills, our archery skills, our arts and science skills and our service skills. We have both participated in the fighting arts through hard-suit, rapier and combat archery, H/L Gregoire though target archery, both of us through the arts and science and our dedication to service to the barony and kingdom. By listening to our officers and populace along with the years of experience we hold, it is our desire to see the continuing growth of SunDragon.

Many times new leaders wish to either redesigned the group, or fall back to the “glory days” or force the group into their ideology of how the group should be. We have no desire to “fix” what is not broken; to change or redesign this barony only to our vision; but to advance and promote that, which works, expand on new ideas and to move forward encouraging participation in both the old and new ways and with all members of the barony.

In service to the dream and Atenveldt, we remain;

Dame Jacquelin de Normandie; O.P.

(D&D page 2)

Our vision for the future of SunDragon during our Baronial rule, if we were to be chosen, is like any other's vision; continued growth in the arts, sciences, combat arts and population. With that being said, often times in a leadership turnover, there is bound to be some changes made. We have no set plans to make drastic changes, as the current Baroness and Baron have done an incredible job during their tenure. We do wish to bring back some long-lost traditions that were the earmark of SunDragon and to foster the familial life style that helped create this wonderful Barony. One idea is to research and to bring back growth in the population of fighters in SunDragon, be it Armored Combat, Rapier or Cut and Thrust. We would include plans for fostering growth in the Bardic Arts, Equestrian Arts, Thrown Weapons and Archery.

This Letter of Intent is humbly submitted for consideration by,

LOI: Lady Moira O'Droogan and Lady Mattea Locatelli

(M&M page 1)

Warmest greetings unto Your Royal Majesties King Franbald and Queen Dionisiya, Your Royal Highnesses Duke Morgan and Duchess Elizabeth, Your Excellencies Baroness Jacqueline de Bretagne and Baron Gefroi le Gris, Kingdom Seneschall Mistress Rowan Bridget Blackmoor and the glorious populace of the Barony of SunDragon.

It is with great respect and humility that we, Lady Moira O'Droogan and Lady Mattea Locatelli, submit our names for consideration as candidates to become the next Baronesses of SunDragon. We are completely aware of the three-year commitment, the responsibilities this duty entails and the obligations to the populace as a landed Nobility, we are more than willing and able to fulfill them with all the respect and diligence due. We understand should our letter be accepted, it will be published in the November 2019 Chronus.

Lady Moira called the Barony of Atenveldt her home when she first joined the SCA in 1999. During this time, she became deputy to the dance minister, took part in activities throughout the Barony and was the steward to an event. In 2004, Lady Moira took her leave from the SCA due to personal reason (marriage and new baby) but returned 2011. Returning to the SCA, Lady Moira made the Barony of SunDragon her new home, where she was accepted together with her daughter. Since her return, she became the Chatelaine to Her Excellency Bannthegn Gwenfrewi, helped with Gold Key duties such as organizing the clothing and sales of items to benefit the Barony, she also became the Baronial Art and Science Minister where she organized classes and helped with activities pertaining to this duty. Lady Moira also had the honor of becoming Head Lady in Waiting to Her Grace Elzbieta and had the opportunity of learning new responsibilities. She has also steward and co-steward Baronial and Kingdom events. In 2018, Lady Moira became the Estrella War Artisan Showcase coordinator together with Lady Mattea. Currently Lady Moira and Lady Mattea are Deputies for Collegium Coordinator for Estrella 2020 in an effort to learn the job and in hopes of one day be the coordinator. She has been recognized for both her service and arts within the Barony of SunDragon (Order of the Dragon's Heart, Order of the Dragon's Scale and Honor of SunDragon), Barony of Atenveldt (Order of the Dog's Jambe, Order of the Purpure Clarion and Order of the Palm Leaf) and our glorious Kingdom of Atenveldt (Award of Arms, Flower of the Desert, Beacon of the Desert, Fleur de Soleil, Queen's Grace and Queen's Cypher).

(continued next page)

Lady Mattea has called the Barony of SunDragon her home since she first started in the SCA in early 2015. She was welcomed with open arms and quickly became a member of this loving family. Jumping in with two feet, she quickly started helping out with the youth by becoming the Baronial Youth Activities Minister. She was deputy under Baroness Jacqueline for Highlands War Youth Activities and Estrella War Youth Center. The following year she became the Estrella War Youth Center Coordinator. She has run several youth corners at baronial events such as Fabric War, Champions, Tri-Baronial Yule and Mixed Weapons War. She has co-autocrated many baronial events such as Mixed Weapons War (twice, once with Lady Moira), Fabric War and Solstice. Finding her place in the arts, she become the Baronial Arts & Sciences Champion during which time she was the Estrella War Artisan Showcase Deputy Coordinator under Lady Moira. She is currently serving as the Baronial Minister of Arts & Sciences and is an Estrella War A&S Deputy Collegium Coordinator. She has served as a lady in waiting twice for the reign of Morgan and Elizabeth as well as in the Barony of SunDragon for Bannthegn Gwenfrewi and Baroness Jacqueline. She has also been recognized for both her service and arts within the barony (Order of the Dragon's Heart, Order of the Dragon's Scale and Honor of SunDragon) and kingdom (Award of Arms, Flower of the Desert and Beacon of the Desert).

We have taken the time to talk with past and present Baronesses of The Barony of SunDragon about what it's like and what it takes to run this Barony. We have also talked to other Baron and Baronesses throughout the Kingdom and along with many peers, including our own. Lady Moira is apprentice to Mistress Tvoislava Michelovna and Lady Mattea is apprentice to Mistress Aoife inghean Oisín.

If we were to be selected as Baronesses, our focus would be to our populace, to encourage and support them into their own paths in the arts, in service or on the field, and most importantly to be present for them. To be present during Baronial activities such as fighter practice, A&S nights and officers meeting. To be present at other Baronial and Kingdom events. They would be our populace, our selected family and it would be our responsibility to represent them to the known world. We would encourage our populace to speak to us with their thoughts and ideas to help Our Barony in moving forward.

We understand without the support from our populace, we would not be here. We await and encourage our long standing and new members alike, with any questions and concerns they may have from us.

In Service of this Barony and Kingdom,

Lady Moira O'Droogan

Lady Mattea Locatelli

Unto Their Majesties, Franbald and Dionysia, Their Highnesses, Morgan and Elizabeth, Their Excellencies, Jacqueline de Bretagne and Gefroi le Gris, Mistress Rowan Bridget Blackmoore, Kingdom Seneschal, and Lady Iseult inghen ui Threseigh, Sun Dragon Seneschal, do we, The Honorable Lady Eleanor Cleavely and Lord Sebastian de Rolstoun, send our warmest and heartfelt greetings.

Your Majesties, Your Highnesses, Your Excellencies, Good Mistress, and My Lady:

It is with great joy and with the deepest humility that we write to inform you of our intent to serve as Baroness and Baron of the Barony of Sun Dragon. We have a long and rich history of devoted service to the Barony, and we wish to continue that service as Baroness and Baron.

When we first moved to Atenveldt, we lost everything to theft. We had nothing, just the clothes on our backs. The Barony of Sun Dragon took us in – they gave us a place to stay, food to eat, clothes and garb to wear, and welcomed us as family. This Barony showed us what the SCA truly is – a family. After much discussion, we've decided that the best way to repay this incredible gift – truly, a great debt - is to give our Barony and our Kingdom three years of our lives in service.

We are running because we have a vision for our barony – one of inclusiveness, cooperation, and service to both Crown and kingdom. We would like to develop our youth programs to encourage more participation from our youth fighters and artisans. To this end, we would like to develop a page program for our youth with a service, arts & sciences, and fighting

strand. In addition, we would work to develop our army, encouraging our chivalry to come and teach and providing support to the Kingdom army when called. We would also work to encourage the arts & service amongst our populace and serving as a voice to the Crown in their name. We wish to continue the work that Their Excellencies have done to increase our numbers and encourage our populace to serve and create beautiful arts for our Barony and our Kingdom.

(continued next page)

We understand the commitment in both time and resources this office requires. We have discussed this at length with several members of the populace, seeking counsel from former sitting barons & baronesses as well as those currently sitting. Also, having lived and served in several different baronies and kingdoms in the Known World, we understand the place of tradition and the balance of that tradition with the need for the fresh and new.

After these discussions and much soul-searching, we feel that we are the best candidates for this position because we can bring fresh ideas and a fresh perspective to this office while continuing to guide Sun Dragon on her path of service to her Crown and Kingdom. We thank you for your time and your consideration. We look forward to speaking with you further. Until then, we shall remain,

Ever in service to Crown & Kingdom,

All Events Leading up to Atenveldt's 50th Year

On 4 January 2020, with Kingdom Twelfth Night, begins the Kingdom of Atenveldt's 50th Year Celebration. Each kingdom event during that most joyful year will be celebrated as part of the 50th Year Celebration, ending with the final, true 50th Year Celebration at Kingdom Twelfth Night in 2021, or A.S. 55. So to all baronies, shires and colleges in this great kingdom, know that throughout 2020 when you bid on a Kingdom Event, you are bidding on part of the 50th Year Celebration—you are bidding on a part of history. Atenveldt isn't one barony, one patch of land, but it is one group of people: A group of people that spans the breadth of a Kingdom and the length of 50 years.

This is the December 2019 issue of the Chronus Draconum, a publication of the Barony of SunDragon, a branch of the Society of Creative Anachronism, Inc. (SCA, Inc.).
