

Chronus Draconum

2021 Q2
Issue I

Welcome Home!

Greetings from the Baroness and Baron of SunDragon

Those words mean more now than they usually do. By now you've hopefully heard the joyous news. The SCA will be reopening for in-person events! The Board of Directors and the Kingdom of Atenveldt have cleared us to begin opening as soon as July 1st.

For the remainder of 2021, all in person events will be Kingdom events. We will be able to have in person event in the North, Central, and Southern parts of the kingdom each month. These will be low-key, picnic-in-the-park type events.

As we move forward this year we are currently looking for a new park for Fighter Practice that has better evening lighting for the fighters to ensure we are as safe and accommodating as possible. As we move forward any and all suggestions are welcome.

We know it has been a hard year for most and as we return to a semblance of normal there will be many events before us. We are working to realign our Scribe, A&S, Archery, Thrown Weapons and Fighter practices with locations and meeting times.

Please be understanding as we relearn how to come back together.

Yours in Service to the Dream,

Valdisa *Wolff*

Baroness *Baron*

*"Letters are signs of things, symbols of words, whose power is so great that without a voice they speak to us the words of absent; for they introduce words to the eye, not by the ear."

Open Positions

The barony cannot run without officers. We need you!

During lockdown, the barony was advised it was best not to open new warrants. Now that we have a plan to reopen, we need to fill the vacant positions. See list on pages 10 and 11.

If you currently hold a baronial warrant:

Please email the [Baroness, Baron, and the Seneschal](#). Let us know:

- **Your current position and warrant end date** so that we can compare it with our records to ensure they match.
- **If you do not want to continue your warrant.** Perhaps life happened. Perhaps you don't like the position. It doesn't matter. There is no shame in stepping away from a warrant. There is no shame or guilt in holding onto your warrant if you enjoy the position.
- If your warrant is within 90 days of expiring, please include **if you want to extend** in your letter.

If you do not hold a baronial warrant but want to hold a baronial warrant:

Please email the [Baroness, Baron, and the Seneschal](#). Let us know:

- The **position** you are interested in filling. *Note that all officers can have multiple deputies.*
- Any relevant **perks or obstacles** to you holding a warrant.

Baronial Solstice Secret Santa

The Barony is hosting the Second SunDragon Secret Santa Gift Exchange this December.

This exchange is modeled after the Nobelese Largesse exchange and other artist gift exchanges. The idea is that a pool of people all volunteer to make a secret, personalized gift for someone else in the pool.

A survey will be posted in the SunDragon Arts and Sciences Facebook group on or about July 1.

If you wish to participate, complete the survey by July 31st.

You will be matched with another participant in mid-Aug. Your recipient will not be your artist.

Watch the [Barony of SunDragon Facebook Group](#) on Facebook for more information. It will be available as we get closer to opening the survey.

The rules:

- **Have fun.** This is the first rule for a reason.
- You DO NOT need to be an “artist” to participate. Do not be concerned that your skills are not to the level you would like them to be. Artists are *always* their harshest critics, and your recipient will adore something personalized for them. If you are still concerned about the quality, please reach out to one of the barony’s many artists for advice and counsel.
- Keep your recipient a secret. You have *five* months to stalk your recipient and make them a personalized gift. If you need answers to questions and are concerned asking will raise questions, you can email the [coronet](#) any questions you have, and we will ask your recipient on your behalf.
- There will be a \$25 materials limit. Please hold yourself to this limit. You can use materials on hand but place a fair market value on those materials.
- **GIFTS ARE DUE AT December 2021 (the date is still tentative).** If you cannot make the exchange, *please make arrangements for your gift to be delivered.*
- **Have fun.** This is the last rule for a reason too.

Third Annual Estrella War Vanguard Tourney

Each Estrella War, the Barony of SunDragon hosts the Vanguard Tournament on Wednesday of war for unbelted Armored Combat (Hard Suit) fighters.

Last year, the tourney more than doubled in size, and it is expected to grow even more for 2021. With that in mind, we are looking for artisan donations for prizes.

If you wish to donate, please email coronet.

Prizes from the 2020 Vanguard Tournament.
