BARONIAL MISSIVE

Populace of SunDragon, Atenveldt's summer heat is upon us. Please keep sunscreen on and drink plenty of water. Baron Duncan also keeps cool wet towels with him at fighter practice and all fighting events that he goes to.

The last few months were exciting for us. In April, SunDragon hosted Kingdom A&S. So many, many of Atenveldt's members came and competed or displayed. We looked on in awe and talked to so many there. We journeyed up north to Champions in the pines. We were able to watch our dear cousins Count Brain and Countess Lia step down from the Barony of Granite Mountain. As well as watched new cousins ascend the Ermine Thrones, Baron Wade and Baroness Ros. Coronation was full of grace and beauty. Down south We said goodbye to Their Graces Craven and Elzbieta and welcomed Their Majesties Cypser and Mineko. We traveled by land and sea to a distant land as Hobbits and the Corsairs, in the Barony of Ered Sul at Highland's War: The third age of man and discovered We can have peace through all the lands. We also learned that We will have new cousins! Then the Kingdom came together to buy and sell in the streets of Venice, in our very own lands, during Fabric War (photos on the left). The streets were narrow but full of beautiful and desirable items. The food there was delectable!

Please join us when We travel visit other Baronies:

GIFTS AND LARGESSE

We are very blessed to have a prosperous and hardworking Kingdom with so many volunteers among Our Populace, and We can think of no better way to thank deserving individuals for their efforts than with handmade gifts. As We attend events within the Kingdom, We would like to showcase our talented artisans to the Populace by giving out handmade gifts. In addition, as We travel to large events in or outside the Kingdom along with the pleasure of witnessing investitures of new Barons and Baronesses of the lands, We are always in great need of largesse. To that end, to create suitable gifts, We would ask that they meet some of the following criteria:

- Be labeled with a description and your name
- Be durable and unaffected by heat.
- Be suitable to present to the Populace of Atenveldt, including investitures for upcoming reigns
- Be suitable to present to Crowns and Coronets of foreign lands
- Make multiples of the same item if possible

NOTE: Scented items must include an ingredients list and be packaged in sealed zip-loc bags. This will allow us to screen for allergies, prevent cross contamination of items, and maintain the condition of the largesse.
