BARONIAL MISSIVE

From Their Excellencies of SunDragon

Winter has come to SunDragon!

The bright Atenveldt sun was obscured by rains in November and the weather has cooled down!

Burning Ship Tournament was so much fun and we have enjoyed seeing so many of you out at practices and look forward to all the holiday activities coming up!

War season is starting very soon and with it plans for SunDragon camp and activities! Please reach out if you have ideas and want to help as information on land, activities, and volunteering come through. We will be posting them to the SunDragon group in the Book of Faces.

We would like to extend thanks to Her Ladyship Aurora for heading up the merchant wall project for SunDragon! Your continual service and willingness to take on new ideas is valuable!

In addition, thank you to Lord Liam and Lady Fionnghuala for opening their house and heading up the refurbishment of the SunDragon shields! These have been in service to the barony on the fighting fields for decades, and We are looking forward to seeing our fighters continue to utilize them.

We are getting ready for Solstice in a few short weeks and are looking forward to sharing this event with the Barony of Atenveldt Yule and enjoying time with our friends and family from both baronies! We eagerly await the return of Lazarus and are eager to see if he has been on any adventures and who will take him home next!

Many thanks to Lady Fionnghuala and Mistress Mattea for coordinating this event, with assistance from Thegn Valdis, Armiger Skadi, and our A&S Champion, Lady Cateline. Be sure to bring your best for the table decorations and desserts as we celebrate the holiday season!

Thank you SunDragon for being so welcoming to everyone in 2025!

WANT ADS

Baronial Want Ads

We have open officer positions available! If you are looking for a way to get more involved in SunDragon, are service-oriented, or want to invest your time into your hobby, consider submitting a Letter of Intent to Their Excellencies to start your journey as an officer of SunDragon. It takes several people to run a Barony well. We need you to make that happen. If you have any questions, please ask a current or past officer. We would be happy to answer any questions you have.

To submit a letter of intent simply email the Baroness & Baron (coronets@baronyofsundragon.org) and BSD Seneschal (seneschal@baronyofsundragon.org) stating that you would like to be considered for the position. Be sure also to include both your SCA and mundane names, membership ID number, a working phone number, and your local address.

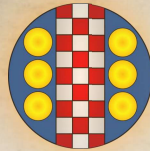

The Barony of SunDragon is soliciting applications for the following positions:

ARCHERY LIEUTENANT

The Archery Lieutenant assists the Archery Captain, who is responsible for running weekly archery practices and tournaments, ensures safety, maintains loaner gear, and files monthly reports.

If you are interested in being a lieutenant you should most certainly speak to the current captain about the role. Being a deputy is a great way to get a taste for what responsibilities the office holds without committing to the office fully or to learn the role while the current officer still occupies the position so you could possibly take over for them in the future.

EMERGENCY DEPUTY EXCCHIEVER

If you have held the primary role before but do not want to currently fill the position an Emergency or "drop dead" deputy might be the spot for you.

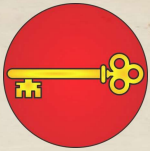

These positions are in case the current officer needs to step back from their responsibilities due to any reason they may have and allows the barony to have someone step in while we look for someone new to fill the office.

May be asked to help in training the new officers.

HELP THE NEXT GENERATION OF SUNDRAGON!

HISTORY CORNER

BARONIAL CORONETS

The Barony of SunDragon has had 4 sets of coronets over its history, with 3 still in use today.

The Original made for Alys' investiture was made of stained glass pieces on a chainmail band, with a 2nd added when Ioseph and Cheri stepped up. They were taken apart for refurbishment and the pieces were lost over time.

The Gold Set was created during Ioseph and Cheri's tenure and are the oldest set in use. They are lightweight and have a single dragon in-flight at the front.

Photo by Baroness Honor
Catlin MacCurtain

The Celtic Set was created by Duke Arthur for his and Bannthegn Tamira's personal use when they stepped down from the Rainbow thrones; when he won Crown Tourney they were donated to the barony as a second option, which is why they have green and purple stones

Catlin MacCurtain

Magdalen Venturosa

The Collapsible Set

These were commissioned to provide an option that could be resized; they consist of 6 main pieces with the Dragon/Sun and 3 different sets of smaller pieces that can be changed out to allow for different heads.

Magdalen Venturosa

Fighting Coronet of Leather

For times when they wanted to represent on the field, Thegn Ryan created a leather set of coronets that are tied in the back to lead on the fighting field. There is currently one still in good condition.
